## **GENERAL TERMS, CONDITIONS & INSTRUCTIONS**

### **PREPARATION OF PROPOSAL**

The bidder shall prepare proposal on the attached proposal forms furnished by the Management Analyst. Do not detach any portion of this document. Invalidation may result.

All blank spaces on the proposal page or pages, applicable to the subject specification, must be correctly completed in ink or type written. All signatures must be completed in ink.

If bidder is a corporation, the President and Secretary shall execute the bid and the corporate seal shall be affixed. In the event this bid is executed by other than the President, attach hereto a certified copy of that section of corporate By-Laws or other authorization by the corporation which permits the person to execute the offer for the corporation.

If bidder is a partnership, all partners shall execute the bid, unless one partner has been authorized to sign for the partnership, in which case, evidence of such authority satisfactory to the Management Analyst shall be submitted.

### **SUBMISSION OF PROPOSAL**

All bids must be delivered to the office of the Management Analyst by the specified opening time of the bid. Bids arriving after the specified time will not be accepted. Mailed bids arriving after the specified time will not be accepted regardless of post marked time on the envelope.

All bids should be submitted in a sealed 9" x 12" or 10" x 13" envelope. A preprinted orange and white label is provided by the Village and must be completely filled out and applied to the sealed envelope. The information needing to be completed by each bidder is as follows: bidder's name, address, bid item name and bid opening location, room number, time, and date.

Any bidder who does not submit a proposal is requested to return bidding documents, stating the reason for failure to submit thereon, and requesting that the bidder's name be retained on our mailing list, if desired. Bidders not submitting proposals may otherwise be removed from our bid mailing list.

### **BID DEPOSIT**

When required on the cover sheet, all bids shall be accompanied by a bid deposit in the amount specified. Bid deposits shall be in the form of a bid bond, cash, a certified check or cashier's check drawn on a responsible bank doing business in the United States and shall be made payable to the Village of Lombard. All bids not accompanied by a bid deposit, when required, will be rejected.

The bid deposits of all except the three (3) lowest responsive and responsible bidders on each contract will be returned within fourteen (14) calendar days after the opening of the bid. The bid deposit of the accepted bidder will be returned after acceptance by the Village of satisfactory performance bond where such bond is required or completion of contract where no performance

bond is required. The remaining bid deposits of each contractor will be returned within fourteen (14) days after the Village Board has awarded the contract.

### **PERFORMANCE BOND**

When required on the cover sheet, contractor must furnish and pay for satisfactory Performance and Labor and Material Payment Bonds in the amount of one hundred percent (100%) of the contract sum. Said Bonds shall be in a form acceptable to the Village, shall be deposited with the Village at the time of execution of the contract and shall provide that they shall not terminate on completion of the work, but shall be reduced to ten percent (10%) of the contract sum upon completion of the work for a period of one (1) year to cover the one (1) year guaranty and maintenance period. Execution of any contract by the Village is contingent upon the provision of the required Bond by the contractor. As evidence of capability to provide such security for performance, each bidder shall submit with the bid proposal either a letter executed by its surety company indicating the bidder's performance bonding capability, or a letter from a bank or savings and loan within the Chicago metropolitan area indicating its willingness and intent to provide a letter of credit for the bidder. Failure to furnish the required bond within the time specified may be cause for rejection of the bid.

### **CONDITIONS**

Bidders are advised to become familiar with all conditions, instructions, and specifications governing this bid and where applicable, the contractor shall inspect the site and conditions pertinent to the work involved. Failure to make such an inspection shall not excuse the contractor from performance of the duties and obligations imposed under the terms of the contract. Once the award has been made, failure to have read all the conditions, instructions and specifications of this contract shall not be cause to alter the original contract or to request additional compensation.

### **CATALOGS**

Each bidder shall submit when necessary, or when requested by the Management Analyst, catalogs, descriptive literature and detailed drawings fully detailing features, designs, construction, finishes, operational manuals and the like not covered in the specifications, necessary to fully illustrate and describe the material or work proposed to be furnished. When equipment requires installation, contractor shall submit detailed shop drawings to the Management Analyst for the Village's approval. Drawings shall show the characteristics of equipment and installation details.

### **SAMPLES**

Samples, if required, must be furnished free of expense to the Village on or before date specified; if not destroyed in examination, they will be returned to bidder, if requested, at his expense. Each sample must be marked with bidder's name, address, subject of proposal, date, and time of bid opening. DO NOT ENCLOSE IN OR ATTACH BID TO SAMPLE.

### **INSPECTIONS**

The Village shall have the right to inspect any material, component equipment, supplies, services, or completed work specified herein before acceptance. Any of said items not complying with these specifications are subject to rejection at the option of the Village. Any items rejected shall be removed from the premises of the Village and/or replaced at the entire expense of the successful bidder.

### **SPECIAL HANDLING**

Prior to delivery of any product which is caustic, corrosive, flammable or dangerous to handle, the supplier will provide written directions as to methods of handling such products, as well as the antidote or neutralizing material required for its first aid before delivery. Supplier shall also notify the Village and provide material safety data sheets for all substances used in connection with this Contract which are defined as toxic under the Illinois Toxic Substances Disclosure to Employees Act. Failure or delay in providing data sheets may result in disqualification of your offer.

### **DELIVERY**

All materials shipped to the Village of Lombard must be shipped F.O.B. delivered, designated location, Lombard, Illinois. If delivery is made by truck, arrangements must be made in advance by the contractor in order that the Village may arrange for receipt of the materials. The materials must then be delivered where directed and may be required to be inside delivery. Truck deliveries will be accepted between 8:30 a.m. and 3:30 p.m. on weekdays only. No deliveries will be accepted on Saturdays, Sundays, or holidays.

### **DISCOUNTS**

Cash discounts will be considered in the evaluation of the bids. Bidders shall indicate terms as 1% - 20 days, net 30 days, 2% - 20 days, net 30 days, or 1% - 30 days, etc. Where cash discounts are offered, the discount date should begin with the invoice date or delivery date to the Village, whichever is later. No discount of less than 1% will be considered or for a period of less than 20 days. If no discount is taken, payment will be made 30 days after receipt and inspections have been completed.

### **TRAINING, DEMONSTRATIONS AND SHOP DRAWINGS**

Training will be required by the bidders to the Village of Lombard employees if deemed necessary by the Village. Bidders are required, if requested, to present a demonstration of the item being bid if the Village feels it has insufficient knowledge of the item's operation or performance capability. Such demonstrations and training must be at "no charge" to the Village and must be at a site convenient and agreeable to the affected Village personnel.

### **PRICES**

Equipment supplied to the Village must comply with all requirements and standards as specified by the Occupational Safety and Health Act. All guards and protectors as well as appropriate markings will be in place before delivery. Items not meeting any OSHA specifications will be refused.

### **INDEMNIFICATION**

The contractor shall indemnify, defend and save harmless the Village of Lombard, its officers, agents, employees, representatives and assigns, from lawsuits, actions, costs (including attorneys' fees), claims or liabilities of any character, including, as allowed by law, liabilities incurred due to joint negligence of the Village and the contractor, brought because of any injuries or damages received or sustained by any person, persons, or property on account of any act or omission, neglect or misconduct of said contractor, its officers, agents and/or employees arising out of, or in performance of any of the provisions of the contract, including any claims or amounts recovered for any infringements of patent, trademark or copyright; or from any claims or amounts arising or

recovered under the "Worker's Compensation Act" or any other law, ordinance, order or decree. In connection with any such claims, lawsuits, actions or liabilities, the Village of Lombard, its officers, agents, employees, representatives and their assigns shall have the right to defense counsel of their choice. The contractor shall be solely liable for all costs of such defense and for all expenses, fees, judgments, settlements and all other costs arising out of such claims, lawsuits, actions or liabilities.

#### **PERMITS AND LICENSES**

The successful bidder shall obtain, at its own expense, all permits and licenses which may be required to complete the contract, and/or required by municipal, state, and federal regulations and laws.

#### **SUBLETTING OF CONTRACT**

No contract awarded by the Village of Lombard shall be assigned or any part sub-contracted without the written consent of the Management Analyst. In no case shall such consent relieve the successful bidder from his obligation or change the terms of the contract.

#### **GUARANTEES AND WARRANTIES**

All guarantees and warranties from manufacturers shall be furnished by the contractor and shall be delivered to the Management Analyst before final voucher on the contract is issued. The contractor warrants to the owner that materials and equipment furnished under the contract will be of good quality and new unless otherwise required or permitted by the contract documents and that the work will be free from defects in material and workmanship for one year from the date of issuance of the final payment by owner and any deficiencies shall be corrected by the contractor under this warranty immediately upon notification from the owner.

#### **WITHDRAWAL OF PROPOSAL**

Bidders may withdraw or cancel their proposals at any time prior to the advertised bid opening time by signing a request therefore. After the bid opening time, no bid shall be withdrawn or canceled for a period of sixty (60) calendar days. The successful bidder shall not withdraw or cancel its proposal after having been notified by the Management Analyst that said proposal has been accepted by the Village Board. Failure on the part of the successful bidder to execute a contract within fifteen days of its receipt or to provide an acceptable bond shall be considered just cause to withdraw the award. In such case the bid deposit shall be forfeited as liquidated damages.

### **TERMINATION OF CONTRACT**

The Village reserves the right to terminate the whole or any part of this contract, upon written notice to the contractor, in the event that sufficient funds to complete the contract are not appropriated by the Village of Lombard.

The Village further reserves the right to terminate the whole or any part of this contract, upon ten (10) days' written notice to the successful bidder, in the event of default by the successful bidder. Default is defined as failure of the successful bidder to perform any of the provisions of this contract or failure to make sufficient progress so as to endanger performance of this contract in accordance with its terms. In the event of default and termination, the Village will procure, upon such terms and in such manner as the Management Analyst may deem appropriate, supplies or services similar to those so terminated. The successful bidder shall be liable for any excess costs for such similar supplies or service unless acceptable evidence is submitted to the Management Analyst that failure to perform the contract was due to cause beyond the control and without the fault or negligence of the successful bidder.

### **COMPETENCY OF BIDDER**

Upon request bidder should supply the Village with information pertaining to financial stability, available equipment, prior experience and conflicting working schedules which will be used in determining the responsible bidder.

### **CONSIDERATION OF PROPOSALS**

No proposal will be accepted from or contract awarded to any person, firm or corporation that is in arrears or is in default to the Village of Lombard upon any debt or contract, or that is a defaulter, as surety or otherwise, upon any obligation to said Village, or that has failed to perform faithfully any previous contract with the Village.

The Village of Lombard shall accept the bid of the lowest responsible bidder on the basis of the bid that is in the best interest of the Village to accept. In awarding the contract, in addition to price, the Village shall consider the following:

The Village may reject any and all bids, and may order a re-advertisement for new bids.

The bidder, if requested, must present within three (3) working days, evidence satisfactory to the Management Analyst of ability and possession of necessary facilities, financial resources, and adequate insurance to comply with the terms of these specifications and contract documents.

The Management Analyst shall represent and act for the Village in all matters pertaining to this proposal and contract in conjunction therewith. The Village reserves the right to accept or reject any and all proposals or to waive technicalities, or to accept or reject any item of any proposal, and to disregard any informality on the bids and bidding, when in its opinion the best interest of the Village will be served by such actions.

The bids shall be awarded to the lowest responsible bidder who submits the responsive bid that is most advantageous to the public. In determining the responsibility of any bidder, the Village may take into account other factors in addition to financial responsibility such as past records of its or other entities' transactions with the bidder, experience, ability to work cooperatively with the Village and its administration, adequacy of equipment, ability to complete performance within the necessary time limits, and other pertinent considerations such as, but not limited to, reliability, reputation, competency, skill, efficiency, facilities, and resources. \$62,617.00 for 2010 and \$62,617.00 for 2011 in compliance with provisions, instructions, and specifications of the RFP EMM-2010.

The program specifications do not match the level of service provided in 2009. To achieve that level of service the following are needed:

Additional larval site monitoring: Based on the 2007-2009 data collected within the Village, the Village has a total of 189 potential breeding sites for complete inspections. 100 of these sites are considered targeted based on breeding data collected. 90 of these are Culex sites, again based on breeding data collected. The cost to add the additional sites to the program would be \$5,572.80.
