The Deferred Payment Amount unpaid and outstanding from time to time shall bear interest from the date of this Contract. Interest calculated as provided herein from the date of this Contract is the maximum amount which may become due under this Contract.

3. Ownership in and to the Improvement, whether or not completed, during all stages of construction and installation, shall and does vest immediately in the Village, and, in the event of a default hereunder by Village, Counter-party shall not remove or take any action to

remove any part or all of the materials theretofore delivered or erected in connection with the Improvement. Counter-party shall deliver to the Village all necessary contractors' and sub-contractors' affidavits and all necessary waivers and releases from all persons who have performed work and labor on or in connection with, furnished services in connection with, or supplied equipment, materials or supplies to or in connection with the construction and installation of the Improvement. Counter-party shall not be restricted from filing claims against the funds held by the Village pursuant to the provisions of applicable state law.

4. A coordinator appointed by the Village, shall act as consulting engineer (the "Consulting Engineer") for the acquisition, construction and installation of the Improvement for and on behalf of the parties. The Consulting Engineer shall generally oversee the construction and installation of the Improvement and shall perform the duties and execute the certificates and other papers provided to be performed or executed by the Consulting Engineer as in this Contract provided.

5. Counter-party hereby assigns and transfers to the holders of the Certificates all of its right, title and interest in and to this Contract, including the right to payment of the Deferred Payment Amount and the interest payable thereon. The Village hereby consents to and approves the assignment of Counter-party's rights hereunder and agrees to issue the Certificates to evidence the indebtedness incurred and the amounts payable by the Village hereunder in an amount equal to the Deferred Payment Amount. The Certificates shall contain all the terms of the Contract, whether specifically stated in the Certificates or not, and the Counter-party and the Village shall make the Contract reasonably available to any holder of a Certificate. Upon the issuance of the Certificates, the Village shall make the payments required under this Contract to pay the principal of, premium, if any, and interest on the Certificates directly to the Paying Agent (as such term is hereinafter defined). The Certificates shall be dated June 15, 2008, shall each be designated "General Obligation Debt Certificates, Series 2008" and each of the Certificates shall also bear the date of authentication, shall be in fully registered form, shall be in denominations of \$5,000 each and integral multiples thereof (but no single Certificate shall represent installments of principal maturing on more than one date) and shall be numbered 1 and upward.

Interest on the Certificates shall be payable from the interest payment date to which interest has been paid next preceding the authentication date of the Certificates unless the Certificates are authenticated after the fifteenth day of the month next preceding an interest payment date and on or before such interest payment date in which case they shall bear interest from such interest payment date, or unless the Certificates are authenticated on or before December 15, 2008, in which case they shall bear interest from the original date, until the principal shall be fully paid. Such interest (computed upon the basis of a 360-day year of twelve 30-day months) being payable on the first day of January and July of each year, commencing on January 1, 2009. Amalgamated Bank of Chicago, Chicago, Illinois (the "Certificate Registrar" or "Paying Agent") is hereby appointed to serve as Certificate Registrar and Paying Agent. Interest on each Certificate shall be paid by check or draft of the Paying Agent, payable in lawful money of the United States of America, to the address of the person in whose name any such Certificate is registered at the close of business on the 15th day of the month next preceding the interest payment date or at such other address furnished in writing by such person to the Paying

Agent. The principal of the Certificates shall be payable in lawful money of the United States of America at the principal corporate trust office of the Paying Agent.

Notwithstanding the foregoing, if payment of principal, premium, if any, or interest is made to a depository, payment shall be made by wire transfer on the payment date in same-day funds. If the payment date occurs on a date when financial institutions are not open for business, the wire transfer shall be made on the next succeeding business day. The Village shall make all payments of principal, premium, if any, and interest on the Certificates to the Paying Agent so that they are received at the Paying Agent by 1:00 p.m. (New York City time) and the Paying Agent shall be instructed to wire transfer such payments so that they are received at the depository by 2:30 p.m. (New York City time).

The Certificates are not subject to optional redemption prior to maturity.

The Certificates shall be signed by the manual signatures of the Village President and Village Clerk, and the seal of the Village shall be affixed thereto or printed thereon, and in case any officer whose signature shall appear on any Certificate shall cease to be such officer before the delivery of such Certificate, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

All Certificates shall bear the date of authentication and shall have thereon a certificate of authentication substantially in the form hereinafter set forth duly executed by the Certificate Registrar as authenticating agent of the Village. No Certificate shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Contract unless and until such certificate of authentication shall have been duly executed by the Certificate Registrar by manual signature, and such certificate of authentication upon any such certificate shall be conclusive evidence that such Certificate has been authenticated and delivered under this Contract. The certificate of authentication on any Certificate shall be deemed to have been executed by the Certificate Registrar if signed by an authorized officer of the Certificate Registrar, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Certificates issued hereunder.

The Village shall cause books (the "Certificate Register") for the registration and for the transfer of the Certificates as provided in this Contract to be kept at the principal corporate trust office of the Certificate Registrar, which is hereby constituted and appointed the registrar of the Village for the Certificates. The Village is authorized to prepare, and the Certificate Registrar shall keep custody of, multiple Certificate blanks executed by the Village for use in the transfer and exchange of Certificates.

The Village has determined that it may be beneficial to the Village to have the Certificates held by a central depository system pursuant to an agreement between the Village and The Depository Trust Company, New York, New York ("Depository Trust Company" or "DTC") and have transfers of the Certificates effected by book-entry on the books of the central depository system ("Book Entry System"). The Certificates may be initially issued in the form of a separate single authenticated fully registered Certificate for the aggregate principal amount

of each separate maturity of the Certificates. In such case, upon initial issuance, the ownership of such Certificates shall be registered in the register kept by the Certificate Registrar in the name of CEDE & CO., as nominee of the Depository Trust Company.

With respect to the Certificates registered in the register kept by the Certificate Registrar in the name of CEDE & CO., as nominee of the Depository Trust Company, the Village and the Paying Agent shall have no responsibility or obligation to any other holders or owners (including any beneficial owner ("Beneficial Owner")) of the Certificates with respect to (i) the accuracy of the records of the Depository Trust Company, CEDE & CO., or any Beneficial Owner with respect to ownership questions, (ii) the delivery to any certificateholder (including any Beneficial Owner) or any other person, other than the Depository Trust Company, of any notice with respect to the Certificates including any notice of redemption, or (iii) the payment to any certificateholder (including any Beneficial Owner) or any other person, other than the Depository Trust Company, of any amount with respect to the principal of, premium, if any, or interest on the Certificates except as otherwise provided herein.

No person other than the Depository Trust Company shall receive an authenticated Certificate evidencing an obligation of the Village to make payments of the principal of and premium, if any, and interest on the Certificates pursuant to this Contract. The Village, the Certificate Registrar and Paying Agent may treat as and deem the Depository Trust Company or CEDE & CO. to be the absolute certificateholder of each of the Certificates for the purpose of (i) payment of the principal of and premium, if any, and interest on such Certificates; (ii) giving notices of redemption and other notices permitted to be given to certificateholders with respect to such Certificates; (iii) registering transfers with respect to such Certificates; (iv) obtaining any consent or other action required or permitted to be taken of or by certificateholders; (v) voting; and (vi) for all other purposes whatsoever. The Paying Agent shall pay all principal of and premium, if any, and interest on the Certificates only to or upon the order of the Depository Trust Company, and all such payments shall be valid and effective fully to satisfy and discharge the Village's and the Paying Agent's obligations with respect to principal of and premium, if any, and interest on the Certificates to the extent of the sum or sums so paid. Upon delivery by the Depository Trust Company to the Village of written notice to the effect that the Depository Trust Company has determined to substitute a new nominee in place of CEDE & CO., and subject to the provisions herein with respect to consents, the words "CEDE & CO." in this Contract shall refer to such new nominee of the Depository Trust Company. Notwithstanding any other provision hereof to the contrary, so long as any Certificate is registered in the name of CEDE & CO., as nominee of the Depository Trust Company, all payments with respect to the principal of and premium, if any, and interest on such Certificates and all notices with respect to such Certificates shall be made and given, respectively, to the Depository Trust Company as provided in a representation letter from the Village to the Depository Trust Company.

Upon receipt by the Village of written notice from the Depository Trust Company to the effect that the Depository Trust Company is unable or unwilling to discharge its responsibilities and no substitute depository willing to undertake the functions of the Depository Trust Company hereunder can be found which is willing and able to undertake such functions upon reasonable and customary terms, then the Certificates shall no longer be restricted to being registered in the

register of the Village kept by the Certificate Registrar in the name of CEDE & CO., as nominee of the Depository Trust Company, but may be registered in whatever name or names the certificateholders transferring or exchanging the Certificates shall designate, in accordance with the provisions of this Contract.

If the Village determines that it is in the best interest of the certificateholders that they be able to obtain certificates for the fully registered Certificates, the Village may notify the Depository Trust Company and the Certificate Registrar, whereupon the Depository Trust Company will notify the Beneficial Owners of the availability through the Depository Trust Company of certificates for the Certificates. In such event, the Certificate Registrar shall prepare, authenticate, transfer and exchange certificates for the Certificates as requested by the Depository Trust Company and any Beneficial Owners in appropriate amounts, and whenever the Depository Trust Company requests the Village and the Certificate Registrar to do so, the Certificate Registrar and the Village will cooperate with the Depository Trust Company by taking appropriate action after reasonable notice (i) to make available one or more separate certificates evidencing the fully registered Certificates of any Beneficial Owner's Depository Trust Company account or (ii) to arrange for another securities depository to maintain custody of certificates for and evidencing the Certificates.

If the Certificates shall no longer be restricted to being registered in the name of the Depository Trust Company, the Certificate Registrar shall cause said Certificates to be printed in blank in such number as the Certificate Registrar shall determine to be necessary or customary; provided, however, that the Certificate Registrar shall not be required to have such Certificates printed until it shall have received from the Village indemnification for all costs and expenses associated with such printing.

In connection with any notice or other communication to be provided to certificateholders by the Village or the Certificate Registrar with respect to any consent or other action to be taken by certificateholders, the Village or the Certificate Registrar, as the case may be, shall establish a record date for such consent or other action and give the Depository Trust Company notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible.

So long as said Certificates are registered in the name of the Depository Trust Company or CEDE & CO. or any substitute nominee, the Village and the Certificate Registrar and Paying Agent shall be entitled to request and to rely upon a certificate or other written representation from the Beneficial Owners of the Certificates or from the Depository Trust Company on behalf of such Beneficial Owners stating the amount of their respective beneficial ownership interests in the Certificates and setting forth the consent, advice, direction, demand or vote of the Beneficial Owners as of a record date selected by the Certificate Registrar and the Depository Trust Company, to the same extent as if such consent, advice, direction, demand or vote were made by the certificateholders for purposes of this agreement and the Village and the Certificate Registrar and Paying Agent shall for such purposes treat the Beneficial Owners as the certificateholders. Along with any such certificate or representation, the Certificate Registrar may request the Depository Trust Company to deliver, or cause to be delivered, to the Certificate Registrar a list

of all Beneficial Owners of the Certificates, together with the dollar amount of each Beneficial Owner's interest in the Certificates and the current addresses of such Beneficial Owners.

The Village President is authorized to execute and deliver, on behalf of the Village, such letters to or agreements with DTC as shall be necessary to effectuate the Book-Entry System.

The Certificate Registrar shall not be required to transfer or exchange any certificate during the period commencing at the close of business on the 15th day of the month next preceding any interest payment date on any such Certificate and in any event ending at the opening of business on such interest payment date, nor to transfer or exchange any Certificate after notice calling such Certificate for redemption has been mailed, nor during a period of fifteen days next preceding mailing of a notice of redemption of any Certificate.

Upon surrender for transfer of any Certificate at the principal corporate trust office of the Certificate Registrar, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Certificate Registrar and duly executed by the registered owner or such owner's attorney duly authorized in writing, the Village shall execute and the Certificate Registrar shall authenticate, date and deliver in the name of the transferee or transferees a new fully registered Certificate or Certificates of the same maturity and interest rate of authorized denominations, for a like aggregate principal amount. Any fully registered Certificate or Certificates may be exchanged at said office of the Certificate Registrar for a like aggregate principal amount of Certificate or Certificates of the same maturity and interest rate and in authorized denominations. The execution by the Village of any fully registered Certificate shall constitute full and due authorization of such Certificate and the Certificate Registrar shall thereby be authorized to authenticate, date and deliver such Certificate, provided, however, the principal amount of outstanding Certificates of each maturity authenticated by the Certificate Registrar shall not exceed the authorized principal amount of Certificates for such maturity less previous retirements.

The person in whose name any Certificate shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of, premium, if any, or interest on any Certificate shall be made only to or upon the order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Certificate to the extent of the sum or sums so paid.

No service charge shall be made for any transfer or exchange of Certificates, but the Village or the Certificate Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Certificates.

6. The Certificates shall be in substantially the following form:

10. The Village hereby represents, warrants and agrees that the obligation to make the payments due under the Contract shall be a direct general obligation of the Village payable from (a) the corporate funds of the Village, and (b) such other sources of payment as are herein pledged or otherwise lawfully available. The Village represents and warrants that (i) the total principal amounts due Counter-party, together with all other general obligations of Village, are within all statutory and constitutional debt limitations; (ii) this Contract and the Certificates are the legal, valid and binding obligations of the Village, enforceable in accordance with the terms hereof and thereof and that the execution and delivery of this Contract and the Certificates have been duly authorized by all necessary action of the Village President and Board; and (iii) it will not take any action so as to adversely affect the tax-exempt status of the interest on the Certificates.

The Village agrees that it will appropriate funds of the Village annually and in a timely manner so as to provide for the making of all payments when due under the terms of the Contract. Such funds shall be deposited into the Certificate Fund (the "Certificate Fund") which is hereby created. The proceeds of the Certificate Fund shall be used solely and only for paying the Certificates. Interest received from deposits in the Certificate Fund shall be retained in the Certificate Fund for the payment of the Certificates on the interest payment date next after such interest is received.

11. The Village covenants that the principal proceeds from the sale of the Certificates shall be devoted to and used with due diligence for the completion of the Improvement. In order to preserve the exclusion of interest on the Certificates from gross income for federal tax purposes under Section 103 of the Internal Revenue Code of 1986 as existing on the date of issuance of the Certificates (the "Code") and as an inducement to purchasers of the Certificates, the Village represents, covenants and agrees that:

(a) The Improvements will be available for use by members of the general public. Use by a member of the general public means use by natural persons not engaged in a trade or business. No person or entity, other than the Village or another state or local governmental unit, will use more than 10% of the proceeds of the Certificates or property financed by the Certificate proceeds other than as a member of the general public. No person or entity other than the Village or another state or local governmental unit will own property financed by Certificate proceeds or will have actual or beneficial use of such property pursuant to a lease, a management or incentive payment contract, an arrangement such as a take-or-pay or output contract or any other type of arrangement that conveys other special legal entitlements and differentiates that person's or entity's use of such property from the use by the general public, unless such uses in the aggregate relate to no more than 10% of the proceeds of the Certificates. If the Village enters into a management contract for the Improvements, the terms of the contract will comply with

IRS Revenue Procedure 97-13, as it may be amended, supplemented or superseded from time to time, so that the contract will not give rise to private business use under the Code and the Regulations, unless such use in aggregate relates to no more than 10% of the proceeds of the Certificates.

(b) No more than 10% of the payment of the principal of, premium on, if any, or interest on the Certificates will be (under the terms of the Certificates, this ordinance or any underlying arrangement), directly or indirectly, (i) secured by any interest in property used or to be used for a private business use or payments in respect of such property or (ii) derived from payments (whether or not to the Village) in respect of such property or borrowed money used or to be used for a private business use.

(c) No more than 5% of the Certificate proceeds will be loaned to any entity or person other than a state or local governmental unit. No more than 5% of the Certificate proceeds will be transferred, directly or indirectly, or deemed transferred to a nongovernmental person in any manner that would in substance constitute a loan of the Certificate proceeds.

(d) The Village reasonably expects, as of the date hereof, that the Certificates will not meet either the private business use test described in paragraph (a) and (b) above or the private loan test described in paragraph (c) above during the entire term of the Certificates.

(e) No more than 5% of the proceeds of the Certificates will be attributable to private business use as described in (a) and private security or payments described in (b) attributable to unrelated or disproportionate private business use. For this purpose, the private business use test is applied by taking into account only use that is not related to any government use of proceeds of the issue (Unrelated Use) and use that is related but disproportionate to any governmental use of those proceeds (Disproportionate Use).

(f) Neither the Village nor the Board will take any action or fail to take any action with respect to the Certificates that would result in the loss of the exclusion from gross income for federal tax purposes on the Certificates pursuant to Section 103 of the Code, nor will the Village or the Board act in any other manner which would adversely affect such exclusion.

(g) It shall not be an event of default under this ordinance if the interest on any Certificate is not excludable from gross income for federal tax purposes or otherwise pursuant to any provision of the Code which is not currently in effect and in existence on the date of issuance of the Certificates.

(h) These covenants are based solely on current law in effect and in existence on the date of delivery of such Certificates.

(i) The Village also certifies and further covenants with the purchasers and holders of the Certificates from time to time outstanding, that so long as any of the

Certificates remain outstanding, moneys on deposit in any fund or account in connection with the Certificates, whether or not such moneys were derived from the proceeds of the sale of the Certificates or from any other sources, will not be used in a manner which will cause the Certificates to be "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code and any lawful regulations promulgated thereunder, as the same presently exist. It shall not be an event of default under this Contract if the interest on any Certificate is not excludable from gross income for federal tax purposes or otherwise pursuant to any provisions of the Internal Revenue Code which is not currently in effect and in existence on the date of issuance of the Certificates. The Village reserves the right, however, to make any investment of such moneys permitted by Illinois law if, when and to the extent that said Section 148 or regulations promulgated thereunder shall be repealed or relaxed or shall be held void by final decision of a court of competent jurisdiction, but only if any investment made by virtue of such repeal, relaxation or decision would not, in the opinion of counsel of recognized competence in such matters, result in making the interest on the Certificates subject to federal income taxation.

12. The Village agrees to comply with all provisions of the Internal Revenue Code, which if not complied with by the Village, would cause the interest on the Certificates not to be tax exempt in the hands of a holder who is a natural person. The Village further agrees: (a) through its officers, to make such further specific covenants, representations as shall be truthful, and assurances as may be necessary or advisable; (b) to consult with counsel approving the Certificates; (c) to file such forms, statements, and supporting documents as may be required and in a timely manner; and (d) if deemed necessary or advisable by its officers, to employ and pay fiscal agents, financial advisors, attorneys, and other persons to assist the Village in such compliance.

13. Counter-party and Village further agree to the terms in the contracts attached hereto as Exhibit A and incorporated herein by this reference, except as limited or modified by the terms hereof. In event of conflict between such contracts and this Contract, this Contract shall be deemed to control.

14. Village agrees to supply the Purchaser, at no expense to the Purchaser, the opinion of Ice Miller LLP, Chicago, Illinois, that, assuming compliance with certain covenants, interest paid pursuant to the Contract is, under federal statutes, decisions, regulations and rulings, existing on the date of issuance, excludable from gross income for purposes of federal income taxation under Section 103 of the Internal Revenue Code.

In addition, Village agrees to supply, at no expense to the Purchaser, the opinion of Counsel to the Village in such form as required by Ice Miller LLP to enable said firm to render its opinion, as aforesaid.

15. Village recognizes that Section 149(a) of the Internal Revenue Code requires the Certificates to be issued and to remain in fully registered form in order for the interest thereon to be exempt from federal income taxation under laws in force at the time the Certificates are

delivered. In this connection, the Village agrees that it will not take any action to permit the Certificates to be issued in, or converted into, bearer or coupon form.

16. The Certificate Registrar shall, at the direction of the Village, maintain a list of the names and addresses of the holders of all Certificates and upon any transfer shall add the name and address of the new certificateholder and eliminate the name and address of the transferor certificateholder. In addition, the Certificate Registrar shall perform such duties as are agreed to between the Certificate Registrar and the Village pursuant to a separate agreement or agreements.

17. All notices and demands required hereunder shall be in writing and shall be deemed to have been given or made when delivered personally or when mailed by registered or certified mail, postage prepaid, addressed as follows:

If to Counter-party, at
Village of Lombard
255 East Wilson Avenue
Lombard, Illinois 60148
Attention: Treasurer

If to Village, at
Village of Lombard
255 East Wilson Avenue

IN WITNESS WHEREOF, Counter-party has caused this Contract to be executed by its duly authorized officers and the Village, by its Board of Trustees, has caused this Contract to be executed by the Village President and attested by the Village Clerk, and the seal of the Village to be hereunto affixed, all as of the day and year first above written.
