

InterOffice Memo

To: William T. Lichter, Village Manager
From: David A. Dratnol, P.E., Village Engineer
Date: May 12, 2004
Subject: The FY 2005 Concrete Rehabilitation and Utility Cuts
Project Number: ST 05-01

Three potential bidders purchased plans for the referenced project. Three bids were received and opened at 11:00a.m. on May 12, 2005. One was not read because it was lacking appropriate signatures.

The results are listed below:

Company	TOTAL
Triggi Construction, West Chicago, IL	\$223,425.50
Kings Point General Cement, Bensenville, IL	\$250,488.00
C-A Cement Construction, Bloomingdale, IL	Disqualified
Engineer's Estimate	\$356,213.78

Triggi Construction has performed satisfactorily on previous Concrete Rehabilitation Projects. Triggi Construction commented that their unit prices reflect a desire to perform additional work.

The Engineering Division recommends the award of this contract to Triggi Construction of West Chicago, IL.
