Subject: Highland Ave at Eastgate Rd—Traffic Signal

Amendment Agreement

Traffic signals are maintained within the Village by several agencies including the Village of Lombard, DuPage County Department of Transportation, and the Illinois Department of Transportation. Such signals are typically maintained in accordance with the current jurisdiction of the associated roadway.

In response to the decision of the Second District, Appellate Court of Illinois, 2013 IL App (2d) 121042, relative to the jurisdiction of Highland Avenue, the Illinois Department of Transportation (IDOT) has requested a traffic signal maintenance transfer amendment at the intersection of Highland Avenue and Eastgate Road. IDOT has the maintenance jurisdiction of Highland Avenue (north-south legs) between 13<sup>th</sup> Street and 20<sup>th</sup> Street, and the Village retains jurisdiction of Eastgate Road (east leg).

Under the amendment, IDOT and the Village will share maintenance costs pursuant to the Illinois Administrative Code. The maintenance and energy cost share percentage will be split as 66.7% IDOT, 33.3% Village. This amendment is anticipated to decrease current Village maintenance costs at this intersection.

Please present this agreement and resolution to the President and Board of Trustees for their review at their regular meeting of June 16, 2016. If approved, please return three original signed copies of the agreement to Public Works–Engineering for further processing.
