### PREAMBLES

#### WHEREAS

A. The Village of Lombard, DuPage County, Illinois (the "*Village*"), is a municipality and unit of local government of the State of Illinois (the "*State*") operating, *inter alia*, under and pursuant to the following laws:

1. the Illinois Municipal Code;
2. the Local Government Debt Reform Act of the State of Illinois (the "*Debt Reform Act*"), and in particular, the provisions of Section 17 of the Debt Reform Act (the "*Installment Purchase Provisions of the Debt Reform Act*"); and
3. all other Omnibus Bond Acts of the State;

in each case, as supplemented and amended (collectively, "*Applicable Law*").

B. The Acting President and Board of Trustees (the "*Corporate Authorities*") of the Village has considered the needs of the Village and, in so doing, the Corporate Authorities have deemed and do now deem it advisable, necessary, and for the best interests of the Village in order to promote and protect the public health, welfare, safety, and convenience of the residents of the Village to pay for the acquisition of certain real and personal property for municipal

purposes including, but not limited to, those projects described in *Exhibit A* (collectively, the “*Project*”).

C. The Corporate Authorities have determined the total cost of the Project and expenses incidental thereto, including financial and legal services related to the Agreement hereinafter provided for in this Ordinance (collectively “*Related Expenses*”), to be not more than \$10,000,000 plus estimated investment earnings which may be received on said sum prior to disbursement.

D. Sufficient funds of the Village are not available to pay the costs of the Project and Related Expenses, and it will, therefore, be necessary to borrow money in the amount of not to exceed \$10,000,000 for the purpose of paying such costs.

E. Pursuant to the Installment Purchase Provisions of the Debt Reform Act, as amended by Public Act 91-868 of the 91st General Assembly of the State of Illinois, the Village has the powers as follows:

The governing body of each governmental unit may purchase or lease either real or personal property, including investments, investment agreements, or investment services, through agreements that provide that the consideration for the purchase or lease may be paid through installments made at stated intervals for a period of no more than 20 years or another period of time authorized by law, whichever is greater *provided, however*, that investments, investments agreements or investment services purchased in connection with a bond issue may be paid through installments made at stated intervals for a period of time not in excess of the maximum term of such bond issue. Each governmental unit may issue certificates evidencing the indebtedness incurred under the lease or agreement. The governing body may provide for the treasurer, comptroller, finance officer, or other officer of the governing body charged with financial administration to act as counter-party to any such lease or agreement, as nominee lessor or seller. When the lease or agreement is executed by the officer of the governmental unit authorized by the governing body to bind the governmental unit thereon by the execution thereof and is filed with and executed by the nominee lessor or seller, the lease or agreement shall be

sufficiently executed so as to permit the governmental unit to issue certificates evidencing the indebtedness incurred under the lease or agreement. The certificates shall be valid whether or not an appropriation with respect thereto is included in any annual or supplemental budget adopted by the governmental unit. From time to time, as the governing body executes contracts for the purpose of acquiring and constructing the services or real or personal property that is a part of the subject of the lease or agreement, including financial, legal, architectural, and engineering services related to the lease or agreement, the governing body shall order the contracts filed with its nominee officer, and that officer shall identify the contracts to the lease or agreement; that identification shall permit the payment of the contract from the proceeds of the certificates; and the nominee officer shall duly apply or cause to be applied proceeds of the certificates to the payment of the contracts. The governing body of each governmental unit may sell, lease, convey, and reacquire either real or personal property, or any interest in real or personal property, upon any terms and conditions and in any manner, as the governing body shall determine, if the governmental unit will lease, acquire by purchase agreement, or otherwise reacquire the property, as authorized by this subsection or any other applicable law.

All indebtedness incurred under this subsection, when aggregated with the existing indebtedness of the governmental unit, may not exceed the debt limits provided by applicable law.

F. The Corporate Authorities find that it is desirable and in the best interests of the Village to avail of the provisions of the Installment Purchase Provisions of the Debt Reform Act, as quoted, as follows:

1. To authorize an Installment Purchase Agreement (the "*Agreement*") more particularly as described and provided below in the text of this Ordinance;
2. To name as counter-party to the Agreement the Village Treasurer (the "*Treasurer*"), as nominee-seller;
3. To authorize the Acting President of the Village (the "*Acting President*") and the Village Clerk (the "*Clerk*") to execute and attest, respectively, the Agreement on

behalf of the Village and to file same with the Clerk in his or her capacity as keeper of the records and files of the Village; and

4. To issue certificates evidencing the indebtedness incurred under the Agreement in the amount of not to exceed \$10,000,000, in form and having such details as set forth below in the text of this Ordinance.

*Section 7. Certificate Details.* If issued for the purpose of providing for the Project, there shall be issued and sold the Certificates in the amount of not to exceed \$10,000,000. The Certificates shall be dated such date (not prior to February 20, 2013) as set forth in the Certificate Notification, and shall also bear the date of authentication, shall be in fully registered form, shall be in denominations of \$5,000 each or authorized integral multiples thereof (but no single Certificate shall represent installments of principal maturing on more than one date), and shall be numbered 1 and upward. The Certificates shall become due and payable serially or be subject to mandatory redemption (with option of prior optional redemption as hereinafter set forth) on the month and day of each of the years as set forth in the Certificate Notification (not later than 2022), in the amounts (not exceeding \$2,000,000 per year) and bearing interest at the rates per annum (not exceeding 9.00% per annum) as set forth in the Certificate Notification. The Certificates shall bear interest from their date or from the most recent interest payment date to which interest has been paid or duly provided for, until the principal amount of the Certificates is paid, such interest (computed upon the basis of a 360-day year of twelve 30-day months) being payable semi-annually commencing with the first interest payment date as set forth in the Certificate Notification and semi-annually thereafter on such months and days as set forth in the Certificate Notification each year thereafter to maturity.

Interest on each Certificate shall be paid by check or draft of the Certificate Registrar, payable upon presentation in lawful money of the United States of America, to the person in whose name such Certificate is registered as of the Record Date. The principal of and premium, if any, on the Certificates shall be payable in lawful money of the United States of America at the principal corporate trust office of the Certificate Registrar.

*Section 8. Book Entry Provisions.* If requested by the Purchasers, the Certificates shall be initially issued in the form of a separate single fully registered Certificate for each of the

maturities of the Certificates. Upon initial issuance, the ownership of each such Certificate shall be registered in the Certificate Register in the name of the Depository or a designee or nominee of the Depository (such depository or nominee being the "*Book Entry Owner*"). Except as otherwise expressly provided, all of the outstanding Certificates from time to time shall be registered in the Certificate Register in the name of the Book Entry Owner (and accordingly in Book Entry Form as such term is used in this Ordinance). Any Village officer, as representative of the Village, is hereby authorized, empowered, and directed to execute and deliver or to utilize a previously executed and delivered Letter of Representations or Blanket Letter of Representations (either being the "*Letter of Representations*") substantially in the form common in the industry, or with such changes therein as any officer executing the Letter of Representations on behalf of the Village shall approve, his or her execution thereof to constitute conclusive evidence of approval of such changes, as shall be necessary to effectuate Book Entry Form. Without limiting the generality of the authority given with respect to entering into such Letter of Representations, it may contain provisions relating to (a) payment procedures, (b) transfers of the Certificates or of beneficial interests therein, (c) redemption notices and procedures unique to the Depository, (d) additional notices or communications, and (e) amendment from time to time to conform with changing customs and practices with respect to securities industry transfer and payment practices. With respect to Certificates registered in the Certificate Register in the name of the Book Entry Owner, none of the Village, any of its financial officers, or the Certificate Registrar shall have any responsibility or obligation to any broker-dealer, bank, or other financial institution for which the Depository holds Certificates from time to time as securities depository (each such broker-dealer, bank, or other financial institution being referred to herein as a "*Depository Participant*") or to any person on behalf of whom such a Depository Participant holds an interest in the Certificates. Without limiting the

meaning of the immediately preceding sentence, the Village, any of its financial officers, and the Certificate Registrar shall have no responsibility or obligation with respect to (a) the accuracy of the records of the Depository, the Book Entry Owner, or any Depository Participant with respect to any ownership interest in the Certificates, (b) the delivery to any Depository Participant or any other person, other than a registered owner of a Certificate as shown in the Certificate Register or as otherwise expressly provided in the Letter of Representations, of any notice with respect to the Certificates, including any notice of redemption, or (c) the payment to any Depository Participant or any other person, other than a registered owner of a Certificate as shown in the Certificate Register, of any amount with respect to principal of or interest on the Certificates. No person other than a registered owner of a Certificate as shown in the Certificate Register shall receive a certificate with respect to any Certificate. In the event that (a) the Village determines that the Depository is incapable of discharging its responsibilities described herein and in the Letter of Representations, (b) the agreement among the Village, the Certificate Registrar, and the Depository evidenced by the Letter of Representations shall be terminated for any reason, or (c) the Village determines that it is in the best interests of the Village or of the beneficial owners of the Certificates either that they be able to obtain certificated Certificates or that another depository is preferable, the Village shall notify the Depository, and the Depository shall notify the Depository Participants, of the availability of physical Certificates; and the Certificates shall no longer be restricted to being registered in the Certificate Register in the name of the Book Entry Owner. Alternatively, at such time, the Village may determine that the Certificates shall be registered in the name of and deposited with a successor depository operating a system accommodating Book Entry Form, as may be acceptable to the Village, or such depository's agent or designee, but if the Village does not select such alternate book entry system, then the Certificates shall be registered in whatever name or names registered owners of Certificates

transferring or exchanging Certificates shall designate, in accordance with the provisions of this Ordinance.

*Section 9. Execution; Authentication.* The Certificates shall be executed on behalf of the Village by the manual or facsimile signature of its Acting President and attested by the manual or facsimile signature of its Clerk, as they may determine, and shall have impressed or imprinted thereon the corporate seal or facsimile thereof of the Village. In case any such officer whose signature shall appear on any Certificate shall cease to be such officer before the delivery of such Certificate, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery. All Certificates shall have thereon a certificate of authentication, substantially in the form hereinafter set forth, duly executed by the Certificate Registrar as authenticating agent of the Village and showing the date of authentication. No Certificate shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Ordinance unless and until such certificate of authentication shall have been duly executed by the Certificate Registrar by manual signature, and such certificate of authentication upon any such Certificate shall be conclusive evidence that such Certificate has been authenticated and delivered under this Ordinance. The certificate of authentication on any Certificate shall be deemed to have been executed by it if signed by an authorized officer of the Certificate Registrar, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Certificates issued hereunder.

*Section 10. Registration of Certificates; Persons Treated as Owners.* The Village shall cause books (the "*Certificate Register*" as herein defined) for the registration and for the transfer of the Certificates as provided in this Ordinance to be kept at the office maintained for such purpose by the Certificate Registrar, which is hereby constituted and appointed the registrar of the Village for the Certificates. The Village is authorized to prepare, and the Certificate

Registrar or such other agent as the Village may designate shall keep custody of, multiple Certificate blanks executed by the Village for use in the transfer and exchange of Certificates. Subject to the provisions of this Ordinance relating to the Certificates in Book Entry Form, any Certificate may be transferred or exchanged, but only in the manner, subject to the limitations, and upon payment of the charges as set forth in this Ordinance. Upon surrender for transfer or exchange of any Certificate at the office of the Certificate Registrar maintained for the purpose, duly endorsed by or accompanied by a written instrument or instruments of transfer or exchange in form satisfactory to the Certificate Registrar and duly executed by the registered owner or an attorney for such owner duly authorized in writing, the Village shall execute and the Certificate Registrar shall authenticate, date, and deliver in the name of the transferee or transferees or, in the case of an exchange, the registered owner, a new fully registered Certificate or Certificates of like tenor, of the same maturity, bearing the same interest rate, of authorized denominations, for a like aggregate principal amount. The Certificate Registrar shall not be required to transfer or exchange any Certificate during the period from the close of business on the Record Date for an interest payment to the opening of business on such interest payment date. The execution by the Village of any fully registered Certificate shall constitute full and due authorization of such Certificate; and the Certificate Registrar shall thereby be authorized to authenticate, date, and deliver such Certificate; *provided, however*, the principal amount of Certificates of each maturity authenticated by the Certificate Registrar shall not at any one time exceed the authorized principal amount of Certificates for such maturity less the amount of such Certificates which have been paid. The person in whose name any Certificate shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal or interest on any Certificate shall be made only to or upon the order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and

discharge the liability upon such Certificate to the extent of the sum or sums so paid. No service charge shall be made to any registered owner of Certificates for any transfer or exchange of Certificates, but the Village or the Certificate Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Certificates.

*Section 11. Redemption. (a) Mandatory Redemption.* The Certificates maturing on the date or dates, if any, indicated in the Certificate Notification are subject to mandatory redemption, in integral multiples of \$5,000 selected by lot by the Certificate Registrar, at a redemption price of par plus accrued interest to the redemption date for the Bonds, on the month and day as set forth in the Certificate Notification of the years, if any, and in the principal amounts, if any, as indicated in the Certificate Notification.

The principal amounts of Certificates to be mandatorily redeemed in each year may be reduced through the earlier optional redemption thereof, with any partial optional redemptions of such Certificates credited against future mandatory redemption requirements in such order of the mandatory redemption dates as the Village may determine. In addition, on or prior to the 60th day preceding any mandatory redemption date, the Certificate Registrar may, and if directed by the Corporate Authorities shall, purchase Certificates required to be retired on such mandatory redemption date. Any such Certificates so purchased shall be cancelled and the principal amount thereof shall be credited against the mandatory redemption required on such next mandatory redemption date.

*(b) Optional Redemption.* All or a portion of the Certificates, if any, due on and after the date, if any, specified in the Certificate Notification shall be subject to redemption prior to maturity at the option of the Village from any available funds, as a whole or in part, and if in part in integral multiples of \$5,000 in any order of their maturity as determined by the Village (less

than all of the Certificates of a single maturity to be selected by the Certificate Registrar), on the date specified in the Certificate Notification, if any, and on any date thereafter, at the redemption price of par plus accrued interest to the date fixed for redemption.

The Certificates shall be redeemed only in the principal amount of \$5,000 and integral multiples thereof. The Village shall, at least forty-five (45) days prior to the redemption date (unless a shorter time period shall be satisfactory to the Certificate Registrar) notify the Certificate Registrar of such redemption date and of the principal amount and maturity or maturities of Certificates to be redeemed. For purposes of any redemption of less than all of the outstanding Certificates of a single maturity, the particular Certificates or portions of Certificates to be redeemed shall be selected by lot by the Certificate Registrar from the Certificates of such maturity by such method of lottery as the Certificate Registrar shall deem fair and appropriate; *provided* that such lottery shall provide for the selection for redemption of Certificates or portions thereof so that any \$5,000 Certificate or \$5,000 portion of a Certificate shall be as likely to be called for redemption as any other such \$5,000 Certificate or \$5,000 portion. The Certificate Registrar shall make such selection upon the earlier of the irrevocable deposit of funds with an escrow agent sufficient to pay the redemption price of the Certificates to be redeemed or the time of the giving of official notice of redemption.

The Certificate Registrar shall promptly notify the Village in writing of the Certificates or portions of Certificates selected for redemption and, in the case of any Certificate selected for partial redemption, the principal amount thereof to be redeemed.

*Section 12. Redemption Procedure.* Unless waived by any holder of Certificates to be redeemed, notice of the call for any such redemption shall be given by the Certificate Registrar on behalf of the Village by mailing the redemption notice by first class mail at least thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption to the registered

owner of the Certificate or Certificates to be redeemed at the address shown on the Certificate Register or at such other address as is furnished in writing by such registered owner to the Certificate Registrar.

All notices of redemption shall state:

- (1) the redemption date;
- (2) the redemption price;
- (3) if less than all outstanding Certificates are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Certificates to be redeemed;
- (4) that on the redemption date the redemption price will become due and payable upon each such Certificate or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date;
- (5) the place where such Certificates are to be surrendered for payment of the redemption price, which place of payment shall be the principal corporate trust office of the Certificate Registrar; and
- (6) such other information then required by custom, practice or industry standard.

Unless moneys sufficient to pay the redemption price of the Certificates to be redeemed at the option of the Village shall have been received by the Certificate Registrar prior to the giving of such notice of redemption, such notice may, at the option of the Village, state that said redemption shall be conditional upon the receipt of such moneys by the Certificate Registrar on or prior to the date fixed for redemption. If such moneys are not received, such notice shall be of no force and effect, the Village shall not redeem such Certificates, and the Certificate Registrar shall give notice, in the same manner in which the notice of redemption shall have been given,

that such moneys were not so received and that such Certificates will not be redeemed. Otherwise, prior to any redemption date, the Village shall deposit with the Certificate Registrar an amount of money sufficient to pay the redemption price of all the Certificates or portions of Certificates which are to be redeemed on that date.

Subject to the provisions for a conditional redemption described above, notice of redemption having been given as aforesaid, the Certificates or portions of Certificates so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the Village shall default in the payment of the redemption price) such Certificates or portions of Certificates shall cease to bear interest. Upon surrender of such Certificates for redemption in accordance with said notice, such Certificates shall be paid by the Certificate Registrar at the redemption price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Certificate, there shall be prepared for the registered holder a new Certificate or Certificates of the same maturity in the amount of the unpaid principal.

If any Certificate or portion of a Certificate called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall, until paid or duly provided for, bear interest from the redemption date at the rate borne by the Certificate or portion of Certificate so called for redemption. All Certificates which have been redeemed shall be cancelled and destroyed by the Certificate Registrar and shall not be reissued.

*Section 13. Form of Certificate.* The Certificates shall be in substantially the form hereinafter set forth; *provided, however,* that if the text of the Certificates is to be printed in its entirety on the front side of the Certificates, then the second paragraph on the front side and the legend "See Reverse Side for Additional Provisions" shall be omitted and the text of paragraphs set forth for the reverse side shall be inserted immediately after the first paragraph.

Section 14. Sale of Certificates; Official Statement. The Designated Representatives are hereby authorized to proceed not later than the date a new board is constituted pursuant to the election to be held on the 9th day of April, 2013, without any further authorization or direction from the Corporate Authorities, to sell the Certificates upon the terms as prescribed in this Ordinance and to deliver them promptly thereafter. The Certificates hereby authorized shall be executed as in this Ordinance provided as soon after the delivery of the Certificate Notification as may be, and thereupon be deposited with the Treasurer, and after authentication thereof by the Certificate Registrar, be by said Treasurer delivered to the Purchaser, upon receipt of the purchase price therefor, the same being not less than 98% of the principal amount of the Certificates (and allowing for a commitment fee to the Purchaser of not greater than 0.25% of the

principal amount of the Certificates) as set forth in the Certificate Notification, plus accrued interest to date of delivery, if any, it being hereby found and determined that the sale of the Certificates to the Purchaser is in the best interests of the Village and that no person holding any office of the Village, either by election or appointment, is in any manner financially interested directly in his or her own name or indirectly in the name of any other person, association, trust or corporation, in the sale of the Certificates to the Purchaser.

Upon the sale of the Certificates, the Designated Representatives shall prepare a Certificate Notification, which shall include the pertinent details of sale as provided herein. In the Certificate Notification, the Designated Representatives shall find and determine that the Certificates have been sold at such price and bear interest at such rates that either the true interest cost (yield) or the net interest rate received upon the sale of the Certificates does not exceed the maximum rate otherwise authorized by applicable law. The Certificate Notification shall be entered into the records of the Village and made available to the Corporate Authorities at the next regular meeting thereof; but such action shall be for information purposes only, and the Corporate Authorities shall have no right or authority at such time to approve or reject such sale as evidenced in the Certificate Notification.

Upon the sale of the Certificates, as evidenced by the execution and delivery of the Certificate Notification by the Designated Representatives, the Acting President, Clerk and Treasurer and any other officers of the Village, as shall be appropriate, shall be and are hereby authorized and directed to approve or execute, or both, such documents of sale of the Certificates as may be necessary. Prior to the execution and delivery of any contract for the sale of the Certificates, the Designated Representatives shall find and determine that no person holding any office of the Village, either by election or appointment, is in any manner financially interested

directly in his or her own name or indirectly in the name of any other person, association, trust or corporation, in the contract for the sale of the Certificates.

The Certificates before being issued shall be registered, numbered and countersigned by the Treasurer, such registration being made in a book provided for that purpose, in which shall be entered the record of the ordinance authorizing the Corporate Authorities to borrow said money and a description of the Certificates issued, including the number, date, to whom issued, amount, rate of interest and when due.

The officials of the Corporate Authorities are hereby authorized to take any action as may be required on the part of the Village to consummate the transactions contemplated by the contract for the sale of the Certificates, this Ordinance and the Certificates.

*Section 15. Creation of Funds and Appropriations.*

A. There is hereby created the “*General Obligation Debt Certificates (Limited Tax), Series 2013, Certificate Fund*” (the “*Certificate Fund*”), which shall be the fund for the payment of the principal of and interest on the Certificates. Accrued interest received upon delivery of the Certificates, if any, shall be deposited into the Certificate Fund and be applied to pay the first interest coming due on the Certificates. Lawfully available funds of the Village for the purpose of paying the principal of and interest on the Certificates, including amounts available from the Pledged Bonds, shall be deposited into the Certificate Fund and used solely and only for such purpose. Interest income or investment profit earned in the Certificate Fund shall be retained in the Certificate Fund for payment of the principal of or interest on the Certificates on the interest payment date next after such interest or profit is received or, to the extent lawful and as determined by the Corporate Authorities, transferred to such other fund as may be determined. Moneys in the Certificate Fund shall be applied to pay interest when due and principal when due.

B. The amount necessary from the proceeds of the Certificates shall be used either to pay expenses directly at the time of issuance of the Certificates or be deposited into a separate

fund, hereby created, designated the "*Expense Fund*," to be used to pay expenses of issuance of the Certificates. Disbursements from such fund shall be made from time to time as necessary. Moneys not disbursed from the Expense Fund within six (6) months shall be transferred by the appropriate financial officers for deposit into the Project Fund, and any deficiencies in the Expense Fund shall be paid by disbursement from the Project Fund.

C. The remaining proceeds of the Certificates shall be deposited into the Project Fund (the "*Project Fund*"), hereby created.

Moneys in the Project Fund shall be used to pay costs of the Project in accordance with the following procedures:

1. Contracts ("*Work Contracts*") have been or shall be awarded, from time to time, by the Corporate Authorities for the work on the Project; and the Corporate Authorities represent and covenant that each Work Contract has been or will be let in strict accordance with the applicable laws of the State of Illinois, and the rules and procedures of the Village for same.

2. Pursuant to this Ordinance or subsequent ordinance or ordinances to be duly adopted, the Corporate Authorities shall identify all or a designated portion of each Work Contract to the Agreement. The Work Contracts attached hereto as *Exhibit 1* are hereby identified to the Agreement. This Ordinance, any such further ordinance and said Work Contracts shall be filed of record with the Village Clerk and the Treasurer. The adoption and filing of any such ordinance or ordinances and the Work Contracts with such officers shall constitute authority for the Treasurer to make disbursements from the Project Fund to pay amounts due under such Work Contracts from time to time, upon such further ordinances, resolutions, orders, vouchers, warrants, or other proceedings as are required under the applicable laws of the State of Illinois, and the rules and

procedures of the Village for same. No action need be taken by or with respect to the contractors under the Work Contracts as, pursuant to the Installment Purchase Provisions, the Treasurer acts as Nominee-Seller of the Project for all purposes, enabling the issuance of the Certificates.

D. Alternatively to the creation of the funds described above, the appropriate officers may allocate the Certificate Moneys or proceeds of the Certificates to one or more related funds of the Village already in existence and in accordance with good accounting practice; *provided, however,* that this shall not relieve such officers of the duty to account and invest the Certificate Moneys and the proceeds of the Certificates, as herein provided, as if such funds had in fact been created.

*Section 16. Non-Arbitrage and Tax-Exemption.* The Village hereby covenants that it will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Certificates) if taking, permitting or omitting to take such action would cause any of the Certificates to be an arbitrage bond or a private activity bond within the meaning of the Internal Revenue Code of 1986, as amended, or would otherwise cause the interest on the Certificates to be included in the gross income of the recipients thereof for federal income tax purposes. The Village acknowledges that, in the event of an examination by the Internal Revenue Service of the exemption from Federal income taxation for interest paid on the Certificates, under present rules, the Village may be treated as a “taxpayer” in such examination and agrees that it will respond in a commercially reasonable manner to any inquiries from the Internal Revenue Service in connection with such an examination.

The Village also agrees and covenants with the purchasers and holders of the Certificates from time to time outstanding that, to the extent possible under Illinois law, it will comply with

whatever federal tax law is adopted in the future which applies to the Certificates and affects the tax-exempt status of the Certificates.

The Board hereby authorizes the officials of the Village responsible for issuing the Certificates, the same being the Acting President and the Treasurer, to make such further covenants and certifications regarding the specific use of the proceeds of the Certificates as approved by the Corporate Authorities and as may be necessary to assure that the use thereof will not cause the Certificates to be arbitrage bonds and to assure that the interest on the Certificates will be exempt from federal income taxation. In connection therewith, the Village and the Corporate Authorities further agree: (a) through their officers, to make such further specific covenants, representations as shall be truthful, and assurances as may be necessary or advisable; (b) to consult with counsel approving the Certificates and to comply with such advice as may be given; (c) to pay to the United States, as necessary, such sums of money representing required rebates of excess arbitrage profits relating to the Certificates; (d) to file such forms, statements, and supporting documents as may be required and in a timely manner; and (e) if deemed necessary or advisable by their officers, to employ and pay fiscal agents, financial advisors, attorneys, and other persons to assist the Village in such compliance.

*Section 17. Designation of Issue.* The Village hereby designates each of the Certificates as a “qualified tax-exempt obligation” for the purposes and within the meaning of Section 265(b)(3) of the Code.

*Section 18. Registered Form.* The Village recognizes that Section 149(a) of the Code requires the Certificates to be issued and to remain in fully registered form in order that interest thereon is exempt from federal income taxation under laws in force at the time the Certificates are delivered. In this connection, the Village agrees that it will not take any action to permit the Certificates to be issued in, or converted into, bearer or coupon form.

*Section 19. Intent to Reimburse.* This Ordinance is a declaration of official intent under Treasury Regulation Section 1.150-2. In satisfaction of the requirements thereof:

(a) All or a portion of the expenditures relating to the Project (the “*Expenditures*”) (i) have been paid within the 60 days prior to the passage of this Ordinance or (ii) will be paid on or after the passage of this Ordinance;

(b) The Village reasonably expects to reimburse itself for a portion of the Expenditures with the proceeds of the Certificates; and

(c) The maximum principal amount of the Certificates expected to be issued for the Expenditures is \$10,000,000.

*Section 20. Pertaining to the Certificate Registrar.* If requested by the Certificate Registrar, any officer of the Village is authorized to execute a standard form of agreement between the Village and the Certificate Registrar with respect to the obligations and duties of the Certificate Registrar under this Ordinance. In addition to the terms of such agreement and subject to modification thereby, the Certificate Registrar by acceptance of duties under this Ordinance agrees (a) to act as registrar, paying agent, authenticating agent, and transfer agent as provided herein; (b) to maintain a list of Certificateholders as set forth herein and to furnish such list to the Village upon request, but otherwise to keep such list confidential to the extent permitted by law; (c) to cancel and/or destroy Certificates which have been paid at maturity or submitted for exchange or transfer; (d) to furnish the Village at least annually a certificate with respect to Certificates cancelled and/or destroyed; and (e) to furnish the Village at least annually an audit confirmation of Certificates paid, Certificates outstanding and payments made with respect to interest on the Certificates. The Village covenants with respect to the Certificate Registrar, and the Certificate Registrar further covenants and agrees as follows:

A. The Village shall at all times retain a Certificate Registrar with respect to the Certificates; it will maintain at the designated office(s) of such Certificate Registrar a place or places where Certificates may be presented for payment, registration, transfer, or exchange; and it will require that the Certificate Registrar properly maintain the Certificate Register and perform the other duties and obligations imposed upon it by this Ordinance in a manner consistent with the standards, customs, and practices of the municipal securities industry.

B. The Certificate Registrar shall signify its acceptance of the duties and obligations imposed upon it by this Ordinance by executing the certificate of authentication on any Certificate, and by such execution the Certificate Registrar shall be deemed to have certified to the Village that it has all requisite power to accept and has accepted such duties and obligations not only with respect to the Certificate so authenticated but with respect to all the Certificates. Any Certificate Registrar shall be the agent of the Village and shall not be liable in connection with the performance of its duties except for its own negligence or willful wrongdoing. Any Certificate Registrar shall, however, be responsible for any representation in its certificate of authentication on Certificates.

C. The Village may remove the Certificate Registrar at any time. In case at any time the Certificate Registrar shall resign, shall be removed, shall become incapable of acting, or shall be adjudicated a bankrupt or insolvent, or if a receiver, liquidator, or conservator of the Certificate Registrar or of the property thereof shall be appointed, or if any public officer shall take charge or control of the Certificate Registrar or of the property or affairs thereof, the Village covenants and agrees that it will thereupon appoint a successor Certificate Registrar. The Village shall give notice of any such appointment

made by it to each registered owner of any Certificate within twenty days after such appointment in the same manner. Any Certificate Registrar appointed under the provisions of this Section shall be a bank, trust company, or national banking association maintaining its principal corporate trust office in Illinois and having capital and surplus and undivided profits in excess of \$100,000,000. The Village Clerk is hereby directed to file a certified copy of this Ordinance with the Certificate Registrar and the Certificate Registrar.

*Section 21. Defeasance.* Any Certificate or Certificates which (a) are paid and cancelled, (b) which have matured and for which sufficient sums been deposited with the Certificate Registrar to pay all principal and interest due thereon, or (c) for which sufficient United States of America dollars and direct United States Treasury obligations have been deposited with the Certificate Registrar or similar institution to pay, taking into account investment earnings on such obligations, all principal of and interest on (and redemption premium, if any, on) such Certificate or Certificates when due at maturity or as called for redemption, if applicable, pursuant to an irrevocable escrow or trust agreement, shall cease to have any lien on or right to receive or be paid from the Certificate Moneys hereunder and shall no longer have the benefits of any covenant for the registered owners of outstanding Certificates as set forth herein as such relates to lien and security of the outstanding Certificates. All covenants relative to the Tax-exempt status of the Certificates; and payment, registration, transfer, and exchange; are expressly continued for all Certificates whether outstanding Certificates or not.

*Section 22. Record-Keeping Policy and Post-Issuance Compliance Matters.* It is necessary and in the best interest of the Village to maintain sufficient records to demonstrate compliance with its covenants and expectations to ensure the appropriate federal tax status for

the Certificates and other debt obligations of the Village, the interest on which is excludable from “gross income” for federal income tax purposes (including the Certificates, the “*Tax-Exempt Obligations*”). Further, it is necessary and in the best interest of the Village that (i) the Corporate Authorities adopt policies with respect to record-keeping and (ii) the Compliance Officer (as hereinafter defined) shall at least annually review the Village’s Contracts (as hereinafter defined) to determine whether the Tax-Exempt Obligations comply with the federal tax requirements applicable to each issue of the Tax-Exempt Obligations.

(a) *Compliance Officer Is Responsible for Records.* The Director of Finance (the “*Compliance Officer*”) is hereby designated as the keeper of all records of the Village with respect to each issue of the Tax-Exempt Obligations, and such officer shall report to the Corporate Authorities at least annually that he/she has all of the required records in his/her possession, or is taking appropriate action to obtain or recover such records.

(b) *Closing Transcripts.* For each issue of Tax-Exempt Obligations, the Compliance Officer shall receive, and shall keep and maintain, a true, correct and complete counterpart of each and every document and agreement delivered in connection with the issuance of the Tax-Exempt Obligations, including without limitation (i) the proceedings of the Village authorizing the Tax-Exempt Obligations, (ii) any offering document with respect to the offer and sale of the Tax-Exempt Obligations, (iii) any legal opinions with respect to the Tax-Exempt Obligations delivered by any lawyers, and (iv) all written representations of any person delivered in connection with the issuance and initial sale of the Tax-Exempt Obligations.

(c) *Arbitrage Rebate Liability.* The Compliance Officer shall review the agreements of the Village with respect to each issue of Tax-Exempt Obligations and shall prepare a report for the Corporate Authorities stating whether or not the Village has any rebate liability to the U.S. Treasury, and setting forth any applicable exemptions that each issue of Tax-Exempt Obligations may have from rebate liability. Such report shall be updated annually and delivered to the Corporate Authorities.

(d) *Recommended Records.* The Compliance Officer shall review the records related to each issue of Tax-Exempt Obligations and shall determine what requirements the Village must meet in order to maintain the tax-exemption of interest paid on the Tax-Exempt Obligations. The Compliance Officer shall then prepare a list of the contracts, requisitions, invoices, receipts and other information that may be needed in order to establish that the interest paid on the Tax-Exempt Obligations is entitled to be excluded from “gross income” for federal income tax purposes. Notwithstanding any other policy of the Village, such retained records shall be kept for as long as the

Tax-Exempt Obligations relating to such records (and any obligations issued to refund the Tax-Exempt Obligations) are outstanding, plus three years, and shall at least include:

(i) complete copies of the bond transcripts delivered when any issue of Tax-Exempt Obligations is initially issued and sold;

(ii) copies of account statements showing the disbursements of all bond proceeds for their intended purposes;

(iii) copies of account statements showing all investment activity of any and all accounts in which the proceeds of any issue of Tax-Exempt Obligations has been held;

(iv) copies of all bid requests and bid responses used in the acquisition of any special investments used for the proceeds of any issue of Tax-Exempt Obligations, including any swaps, swaptions, or other financial derivatives entered into in order to establish that such instruments were purchased at *fair market value*;

(v) copies of any subscriptions to the U.S. Treasury for the purchase of State and Local Government Series (SLGS) obligations;

(vi) any calculations of liability for *arbitrage rebate* that is or may become due with respect to any issue of Tax-Exempt Obligations, and any calculations prepared to show that no arbitrage rebate is due, together, if applicable, with account statements or cancelled checks showing the payment of any rebate amounts to the U.S. Treasury together with any applicable IRS Form 8038-T; and

(vii) copies of all contracts and agreements of the Village, including any leases (the "*Contracts*"), with respect to the use of any property owned by the Village and acquired or financed with the proceeds of the Tax-Exempt Obligations, any part of which property is used by a private person at any time when such Tax-Exempt Obligations are or have been outstanding.

(e) *IRS Examination.* In the event the IRS commences an examination of any issue of Tax-Exempt Obligations, the Compliance Officer shall inform the Corporate Authorities of such event, and is authorized to respond to inquiries of the IRS, and to hire outside, independent professional counsel to assist in the response to the examination.

(f) *Annual Review.* The Compliance Officer shall conduct an annual review of the Contracts and other records to determine for each issue of Tax-Exempt Obligations then outstanding whether each such issue complies with the federal tax requirements applicable to such issue, including restrictions on private business use, private payments and private loans. The Compliance Officer is expressly authorized, without further official action of the Corporate Authorities, to hire outside, independent professional

counsel to assist in such review. To the extent that any violations or potential violations of federal tax requirements are discovered incidental to such review, the Compliance Officer may make recommendations or take such actions as the Compliance Officer shall reasonably deem necessary to assure the timely correction of such violations or potential violations through remedial actions described in the United States Treasury Regulations, or the Tax Exempt Bonds Voluntary Closing Agreement Program described in Treasury Notice 2008-31 or similar program instituted by the IRS.

(g) *Training.* The Compliance Officer shall undertake to maintain reasonable levels of knowledge concerning the rules related to tax-exempt bonds (and build America bonds and tax credit bonds to the extent the Village has outstanding build America bonds or tax-credit bonds) so that such officer may fulfill the duties described in this Section. The Compliance Officer may consult with counsel, attend conferences and presentations of trade groups, read materials posted on various web sites, including the web site of the Tax-Exempt Bond function of the IRS, and use other means to maintain such knowledge. Recognizing that the Compliance Officer may not be fully knowledgeable in this area, the Compliance Officer may consult with outside counsel, consultants and experts to assist him or her in exercising his or her duties hereunder. The Compliance Officer will endeavor to make sure that the Village's staff is aware of the need for continuing compliance. The Compliance Officer will provide copies of this Ordinance and the Tax Exemption Certificate and Agreement or other applicable tax documents for each series of Tax-Exempt Obligations then currently outstanding (the "*Tax Agreements*") to staff members who may be responsible for taking actions described in such documents. The Compliance Officer will review this Ordinance and each of the Tax Agreements periodically to determine if there are portions that need further explanation and, if so, will attempt to obtain such explanation from counsel or from other experts, consultants or staff.

(h) *Amendment and Waiver.* The Village may amend this Section and any provision of this Section may be waived, without the consent of the holders of any Tax-Exempt Obligations and as authorized by passage of an ordinance by the Corporate Authorities.

*Section 23. Severability.* If any section, paragraph, clause or provision of this Ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph, clause or provision shall not affect any of the remaining provisions of this Ordinance.

*Section 24. Superseder and Effective Date.* All ordinances, resolutions, and orders, or parts thereof, in conflict herewith, are to the extent of such conflict hereby superseded; and this Ordinance shall be in full force and effect upon its passage and approval as provided by law.
