RE: Award of Contract for Public Works Retaining Wall

I requested prices from four contractors for the excavation and installation of a retaining wall along the east side of the Public Works lot by the gas pumps. This wall is needed to create a safer area along the storage yard which will enable Public Works to use the storage yard to its fullest. The project is funded at \$32,000 in the 2006 – 2015 Capital Improvements Plan.

The response is as follows:

Leahy Construction, Inc.
0N071 Cedar Court
Winfield, Illinois 60190
Total Cost \$31,815.00

Meridan Construction Co., Inc.
1415 Laura Lane
Lake Bluff, Illinois 60044
Total Cost \$32,000.00

Elliott Construction Corp.
21 W 171 Hill Ave.
Glen Ellyn, Illinois 60137-4860
Total Cost \$36,280.00

Howard Concrete Co. Inc.
1N282 Park Blvd.
Glen Ellyn, Illinois 60137-3618
Total Cost \$41,988.00

The Public Works Department is requesting a waiver of bids and the award of a contract to Leahy Construction for a cost not to exceed \$31,815.00 for the installation of a retaining wall according to specifications

Please place this item on the May 18, 2006 agenda for Board of Trustees consideration.

If you have, any questions feel free to contact me.
