Subject: Computer Purchase for the Fire Department Mobile Data Terminals

Chief,

I would like to recommend the purchase of 14 Panasonic Laptop Computer from CDS Office Technologies for \$ 50,080.00.

We will purchase:

9 Panasonic CF-30 Computers at \$ 3,870.00 each for a total of \$34,830.00

5 Panasonic CF-19 Computers at \$ 3,050.00 each for a total of \$ 15,250.00

Total Computer Cost \$ 50,080.00

The Village has used CDS Office Technologies many times before, they have given us great products, services and they have the state bid contact. (Contract # TCVS-04-03) Please find attached the CDS Office Technologies quote for the purchase (Quote # 68795)

Additionally, Fleet Service will be purchasing Docking Stations for 13 of these Mobile Data Terminals, but they will be purchasing them one or two at a time and they will be different for different vehicles within our fleet. They will be purchasing from Fleet Safety Supply of Naperville, Illinois not to exceed \$ 1005.00 each. (Amount Budgeted with FEMA)

As you will remember this is part of the Assistance to Firefighters Grant we received in December of 2006. The Grant total has been amended and is now for a total of \$ 79,117.00 of which the Villages portion is 10% or \$7,912.00. The computer will be the only items purchase greater than \$ 10,000.00. The docking stations total will be greater but they are being purchased piece meal because they are different for almost every vehicle. Please contact me if you have any questions.
