RE : PROFESSIONAL SERVICES – THOMPSON ELEVATOR

Please place on the Board of Trustees September 20, 2007 Agenda the purchase of services from Thompson Elevator Inspection Services, Inc., 1302 East Thayer Street, Mt. Prospect, Illinois, in an amount not to exceed \$51,600.

Thompson Elevator provides elevator plan reviews, new elevator inspections, emergency/urgent elevator inspections, semi-annual inspections of existing elevators and consultations as required. They have been the elevator inspector in Lombard for over twenty years. They are qualified and well-respected throughout the western suburbs.

We have been very satisfied with their service and have had many positive comments from elevator owners.

Their fee schedule is attached and a list of clients is available in my office.

All costs are covered by fees charged to the elevator owner/operator.
