FROM : William T. Lichter, Village Manager
DATE : September 8, 2004 Agenda Date: September 16, 2004
TITLE : Bid Opening For: Pavement Grindings Disposal
SUBMITTED BY: Keith J. Surges, Operations Superintendent

RESULTS:

Date Bids Were Published Bidding Closed
Total Number of Bids Received
Total Number of Bidders Meeting Specifications
Bid Security Required Yes No
Performance Bond Required Yes No
Were Any Bids Withdrawn Yes No
Explanation:
Waiver of Bids Requested? XX Yes No
If yes, explain: See Attached Memo
Award Recommended to Lowest Responsible Bidder? Yes No
If no, explain:

FISCAL IMPACT:

Engineer's estimate/budget estimate \$10,650
Amount of Award \$10,625 2715.756420

BACKGROUND/RECOMMENDATION:

See attached memo.

Has Recommended Bidder Worked for Village Previously X Yes No
If yes, was quality of work acceptable X Yes No
Was item bid in accordance with Public Act 85-1295? Yes X No
Waiver of bids - Public Act 85-1295 does not apply X Yes

REVIEW (as needed):

Village Attorney XX Date
Finance Director XX Leonard Flood Date 9/8/04
Village Manager XX William T. Lichter Date 9/8/04

Subject: Bid Waiver for Pavement Grindings Disposal FY 2005

For the past 3 years we have been recycling our pavement grindings generated by the Street Division during the in-house Grind and Overlay Program through our asphalt supplier. This year we have once again recycled through Crush-Crete a division of DuKane Asphalt. We are currently being charged \$50.00 per load whether it is a semi truck loads (23 tons) or a 6 wheel truck load 14 tons). This fiscal year our snow and debris hauling is charging us \$145.00 per load to haul and dispose of a load or asphalt whether it is busted up chunks from a water dig or the street grindings generated by our grinding program.

Now that the grinding portion of the program is completed, I have calculated how much money has been saved just in hauling costs of the grindings. We have hauled 213 loads of grindings to Crush Crete, Inc., for a total cost of \$10,650. If we had disposed of the grindings through our Snow and Debris Hauling contract the total cost would have been \$30,885. That is a savings of \$20,235 recycling as we grind rather than our trucks hauling to the Garfield property and at a later date reloading the grindings on our Snow and Debris Hauling contractors trucks for disposal.

I am requesting to have a waiver of bid and award a contract to Crush-Crete, Inc. in the amount of \$10,650 for the recycling of the street grindings. There is currently a purchase order in the amount of \$9,000 that we have been paying off of since the beginning of August. With the approval of this contract we will increase the current purchase order by an amount of \$1,650.00.

Please place this item on the Village Board agenda for September 16, 2004. If you have any questions, feel free to contact me.
