MEMORANDUM

TO: William T. Lichter, Village Manager

FROM: Matthew Fisette, Civil Engineer I *MSF*

DATE: April 27, 2004

SUBJECT: **ACCEPTANCE OF A FIRE SUPPRESSION SERVICE LINE, DOMESTIC SERVICE LINE, FIRE HYDRANT, VALVE VAULTS AND SANITARY SERVICE LINE AS CONSTRUCTED FOR THE PARK VIEW POINT DEVELOPMENT PROJECT, LOCATED AT 123 W. ST. CHARLES RD., LOMBARD, ILLINOIS**

The "Park View Point." development project consisted of a new mixed use commercial building at 123 W. St. Charles Rd. Associated with the development, a fire suppression line, a domestic service line, fire hydrant, valve vaults and sanitary service line were installed to serve the development project. (See attached location and utility map.)

The fire suppression line, domestic service line, fire hydrant, valve vaults and sanitary service line were installed substantially to plan and have passed the required testing and are acceptable. The domestic water service line and fire suppression service line from the b-box and or valve to the building will remain the maintenance responsibility of the property owner(s).

The project record drawings have been reviewed by the Private Engineering Services Division of the Department of Community Development and have been filed within the Department.

At the time of this writing, the original two (2) year construction Letter of Credit has been filed with the Finance Department.

Stan Rickard, Director of Public Works
Angela Podesta, Utilities Superintendent

RESOLUTION
R _____ 04

**RESOLUTION ACCEPTING A FIRE SUPPRESSION SERVICE LINE,
DOMESTIC WATER SERVICE LINE, FIRE HYDRANT,
VALVE VAULTS AND SANITARY SERVICE LINE
FOR THE
PARK VIEW POINT DEVELOPMENT PROJECT
LOCATED AT 123 W. ST. CHARLES RD., LOMBARD, IL**

WHEREAS, the Private Engineering Services Division of the Village of Lombard has certified the completion of the fire suppression service line, domestic water service line, fire hydrant, valve vaults and sanitary service line installed for the Park View Point development project, and has recommended said improvements be accepted; and

WHEREAS, the Corporate Authorities concur with said recommendation.

NOW, THEREFORE, BE IT RESOLVED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF LOMBARD, DU PAGE COUNTY, ILLINOIS, as follows:

SECTION 1: That the public improvements, as certified by the Private Engineering Services Division, and as set forth on the approved engineering plans for the fire suppression service line, domestic water service line, fire hydrant, valve vaults and sanitary service line at the Park View Point development project, be and hereby is accepted and made part of the Village of Lombard's public utility system.

SECTION 2: That the on-site storm sewer system is to remain the responsibility of the property owner(s).

SECTION 3: That the fire protection service line and the domestic service line from the valve and/or b-box to the building are to remain the responsibility of the property owner(s).

SECTION 4: That the sanitary service line from the inspection manhole to the building shall remain the responsibility of the property owner(s).
