Dear Mr. Veneziano,

The Village of Lombard's current Traffic Signal Maintenance contract is due to expire on December 31, 2016. After this twenty-four (24) month contract, it was our intention to open bid next year's contract. However, the Village has valued the commitment and excellent service that H&H Electric has provided the village over the past few years. The Village would consider waiving the open bid process and extending the current Traffic Signal Maintenance Contract, effective from 12:01 a.m. January 1, 2017 until 12:00 midnight, December 31, 2017, under the same terms, conditions, and unit pricing as specified in your optional second year bid proposal awarded on November 20, 2014.

Should you agree with this request, please sign and seal your acceptance of the above conditions and contract, and return one (1) original document for our records. Please ensure that the Village has your updated insurance, bond, and certification documents for the above dates.

*"Our shared Vision for Lombard is a community of excellence exemplified by its government working together with residents and businesses to create a distinctive sense of spirit and an outstanding quality of life."*

Accepted this 5<sup>th</sup> day of December, 2016
