Dear Trustee Ware,
I am a resident on South Elizabeth Street in Lombard and I believe I am in your district.
The purpose of my email is to ask about a parking issue on my street. I am not sure if you are the correct person to be addressing this email to.

South Elizabeth street and Madison is a very busy street used to get to St. Charles. The issue is that cars are parked on both sides of the street and we can barely drive down our street with cars parked on both sides. Plus getting out of our driveway is always a challenge with the traffic and the cars blocking our view.

I was hoping for a parking ban on one side of the street....I know this is just one persons request but I wanted to see if anyone else has complained about this issue or how I can go about getting this issue resolved.

Thank you in advance for your time.
