Re: Award of Valor Presentation

At the regularly scheduled Village Board meeting of October 6, 2011, the Lombard Police Department would like to present the Award of Valor to Sergeant William Collins, Officer Paul Coy and Officer Alex Rojas. This is the department's highest recognition and has not been awarded since 2004. This award reflects the brave actions of all three officers during an encounter with an armed individual on July 17th.

We appreciate the opportunity to present this award in a public setting which allows the officers to be recognized in front of the community for their actions and service.
