Subject: Main St at Wilson Ave MFT Supplemental Resolution
MFT Section 92-00121-00-CH

Attached please find a "Supplemental Resolution for Improvement by Municipality Under the Illinois Highway Code" for MFT Section 92-00121-00-CH, Main Street at Wilson Avenue intersection channelization. During the course of the project, the Village expended more Motor Fuel Tax (MFT) funds than were allocated by resolutions. This supplemental resolution is for the use of the excess MFT funds. Since the funds have already been expended, there is no fiscal impact to the MFT fund. This paperwork is required by the Illinois Department of Transportation to satisfy requirements of the recently completed MFT audit.

Please present this item to the Village Board at their regularly scheduled meeting on October 3, 2013. If approved, please return two certified copies to Public Works Engineering for further processing.
