Subject: Coarse Aggregate Material Bid

Background

The Public Works Department uses Coarse Aggregate Material (CA-6 and CA-7) for trench backfill and pavement restorations throughout the Village after excavations and street repairs. The Village solicited bids for such materials and delivery to the Surges Center at 1135 N Garfield Ave and the Public Works Yard located at 282 E Central Ave on an add-needed basis.

Bids were opened on February 23, 2024 for the purchase of Coarse Aggregate Material and three bids were submitted and all met Village specifications. Three vendors submitted a bid:

Utility Transport	\$17.65/ton	\$25.50/ton	\$64,725
Vulcan Materials Naperville, IL	\$19.00/Ton	\$26.85/Ton	\$68,775
Green Dream International	\$23.09/ton	\$34.37/ton	\$86,190

The allocated amount for this item is estimated at \$50,000 from the following fund sources; Street Maintenance and Reconstruction (\$1,000), Water & Sewer Capital Reserve Fund Water Maintenance & Improvements RM PROG 32 (\$35,000) and Water & Sewer Capital Reserve Fund Sewer Maintenance & Improvements RM PROG 10 (\$15,000). As the amount material purchased varies year to year the allocated amount is an estimate.

Costs have increased in the past few years and is represented in the bid numbers. Utility Transport Company was the lowest responsible bidder and has worked with the Village in the past with satisfactory results. The bid does include a provision to extend the contract for one additional year with approval from the Board of Trustees.

I recommend the Board of Trustees award a contract in an amount not to exceed \$64,725.00 for FY2024 for Coarse Aggregate Material to Utility Transport Company of Oak Forest, IL. Please submit this recommendation to the Board of Trustees for their approval at the March 7, 2024 meeting.
