## MEMORANDUM

**TO:** David A. Hulseberg, Village Manager

**FROM:** William J. Heniff, AICP, Acting Director of Community Development *WH*

**DATE:** June 2, 2008

**SUBJECT:** Motion to Approve a Watermain Easement Agreement and a Storm Water Detention Easement at 455 E. Butterfield Rd. (Miller's Ale House)

The construction of the Miller's Ale House required that a new fire hydrant and associated water main be constructed on private property. In addition both the domestic and fire suppression water services are fed from this same watermain. Village Code requires that the Village own and maintain the new watermain, fire hydrant and service valves. Further, the development also required that stormwater detention be provided. The historic detention for this property has been to have the parking lot flood, to a maximum depth of one-foot. While Staff was hopeful that the developer would install more traditional type of detention (i.e. a pond), the choice was made to move forward with the existing parking lot flooding method. Village and County Code provides for this type of detention. Said detention is required to be within an easement that provides the Village with access for inspections and the right, but not the responsibility, to maintain.

The attached Watermain Easement Agreement and Storm Water Detention Easement Agreement were prepared and signed by the property owner, InSite Lombard (BFIELD), L.L.C. Both Agreements were reviewed and approved by the Village Attorney. Please request the Board of Trustees to approve the easement agreements by motion at their June 19, 2008 meeting. Please call either Nick Hatfield or myself if you have any questions.

**WATERMAIN EASEMENT AGREEMENT**

1. All work performed by Grantee, its agents and servants, in and about the construction, installation, maintenance, repair, alteration, operation, replacement and/or removal of the Watermain shall be conducted with the least possible inconvenience to Grantor and any occupant or tenant of the Property, if any. Upon the completion of any work, Grantee, at its own cost and expense, shall promptly remove all debris, materials and equipment and restore the surface of the Property and any installations thereon to the same condition, including, but not limited to, replacement of any, roads, curbs, walks, and parking areas, as the same existed prior to such work. Notwithstanding the foregoing, any landscaping restoration shall be limited to top soil and sod.

The Easement is granted to, and accepted by, Grantee, subject to the following terms and conditions:

For and in consideration of the sum of One Dollar (\$1.00) and other valuable consideration the receipt or which is hereby acknowledged, **INSITE LOMBARD (BFIELD), L.L.C.**, an Illinois limited liability company whose address is 1400 Sixteenth Street, Oak Brook, Illinois 60523 ("**Grantor**"), does hereby give, grant and convey unto the **VILLAGE OF LOMBARD**, an Illinois municipal corporation, whose address is 255 E. Wilson Avenue, Lombard, Illinois 60148 ("**Grantee**"), a non-exclusive easement ("**Easement**") for the construction, installation, maintenance, repair, alteration, operation, replacement and/or removal of a fire hydrant, watermain and related appurtenances thereto (collectively, the "**Watermain**"), over, under, through and across the parcel of land (the "**Easement Area**") which is more particularly legally described and depicted on Exhibit A attached hereto and incorporated herein by reference (the "**Plat of Description**"), located on that certain property located in the Village of Lombard, County of DuPage, Illinois, more particularly described on Exhibit B attached hereto and incorporated herein by reference (the "**Property**").

**WATERMAIN EASEMENT AGREEMENT**

2. Grantor shall not erect any permanent structure within the limits of the Easement Area, but shall at all times have the right to make such other use thereon, including, without limitation, installation of paved walks, drives, curbs and/or parking areas, as shall not be inconsistent with the exercise by Grantee of the rights and privileges granted to it hereunder.

3. Grantee shall have the right to cut down and trim trees, shrubs or plants in the Easement Area or remove fences or temporary structures in the Easement Area without need for providing compensation to Grantee.

4. Grantee shall indemnify, defend and hold harmless Grantor and any occupant or tenant of the Property, if any, harmless from and against any and all losses or claims, demands, actions, liabilities, expenses (including reasonable attorneys' fees) and costs for damage to property or persons whatsoever, arising from or caused by the negligence or intentional misconduct of Grantee or Grantee's agents, servants, invitees or contractors in connection with the construction, installation, maintenance, repair, alteration, operation, removal of the Watermain and/or the exercise by Grantee or its agents, servants or invitees of any rights contained in this Watermain Easement Agreement.

5. Grantee shall, in the exercise of the rights and privileges granted to it hereunder, adhere to and comply with all laws, orders and regulations applicable to the construction, installation, maintenance, repair, alteration, operation, replacement and/or removal of the Watermain.

6. The Easements hereby conveyed are granted subject to the existing rights of record, if any, of third persons, including, without limitation, any and all rights of way, easements and licenses heretofore acquired or granted, in, over and across the Easement Area.

**STORM WATER DETENTION EASEMENT AGREEMENT**

## STORM WATER DETENTION EASEMENT AGREEMENT

For and in consideration of the sum of One Dollar (\$1.00) and other valuable consideration the receipt or which is hereby acknowledged, **INSITE LOMBARD (BFIELD), L.L.C.**, an Illinois limited liability company whose address is 1400 Sixteenth Street, Oak Brook, Illinois 60523 ("**Grantor**"), does hereby give, grant and convey unto the **VILLAGE OF LOMBARD**, an Illinois municipal corporation, whose address is 255 E. Wilson Avenue, Lombard, Illinois 60148 ("**Grantee**"), a non exclusive perpetual storm water detention easement ("**Easement**") for the purpose of managing and maintaining the flow of storm water (along with reasonable access) over, across, and through the storm water detention area (the "**Detention Area**") which is more particularly legally described and depicted on Exhibit A attached hereto and incorporated herein by reference (the "**Plat of Description**"), located on that certain property located in the Village of Lombard, County of DuPage, Illinois, more particularly described on Exhibit B attached hereto and incorporated herein by reference (the "**Property**").

The Easement is granted to, and accepted by, Grantee, subject to the following terms and conditions:

1. In the event Grantor fails to properly maintain the Detention Area or related underground drainage pipes, surface or storm water drainage, related control facilities or appurtenances thereto (collectively the "**Storm Water Facility**") in accordance with the terms and conditions of this Storm Water Detention Easement Agreement (this "**Agreement**"), Grantee shall, upon seventy-two (72) hours prior notice to Grantor (in accordance with Section 10 of this Agreement), have the right, but not the duty, to perform, or have performed on its behalf, any maintenance, repair, alteration, replacement and/or removal work (collectively, "**Work**") to the Storm Water Facility as Grantee may deem reasonably necessary to ensure the Storm Water Facility remains fully operational and that said Storm Water Facility complies with all applicable Village

of Lombard ordinances, regulations or codes, as same may be amended from time to

time. Notwithstanding anything contained herein to the contrary, in the event of an

emergency, as reasonably determined by Grantee, the aforementioned seventy-two

(72) hours prior notice requirement shall be deemed waived; however, Grantee shall

provide notice, in accordance with Section 10 of this Agreement, as soon as is

reasonably practical under the circumstances, describing in detail the emergency action

taken by Grantee, its agents or servants.

2. Grantor shall not erect any permanent structure within the limits of the Detention

Area or alter the topographical grading in a manner which would materially impede or

diminish the integrity of the Storm Water Facility. However, Grantor shall at all times

have the right to make such other use thereon, including, without limitation, installation

of paved walks, drives, curbs and/or parking areas, consistent with the use of the Storm

Water Facility. Grantor shall not make any material alteration to the Storm Water

Facility, without the prior written consent of Grantee, which consent shall not be

unreasonably withheld or delayed.

3. All Work performed by Grantee, its agents and servants, in and about the

construction, installation, maintenance, repair, alteration, operation, replacement and/or

removal to the Storm Water Facility shall be conducted with the least possible

inconvenience to Grantor and any occupant or tenant of the Property, if any. Upon the

completion of any Work, Grantee shall promptly remove all debris, materials and

equipment and restore the surface of the Property and any installations thereon to the

same condition, including, but not limited to, replacement of any, roads, curbs, walks,

and parking areas, as the same existed prior to such Work. Notwithstanding the

foregoing, any landscaping restoration shall be limited to top soil and sod.

4. In the event Grantee shall be required to perform Work, in accordance with the

terms and conditions of this Agreement, the cost of such Work incurred shall be

reimbursed to Grantee and shall include all expenses and cost associated with the

performance of such Work including, but not limited to, reasonable engineering,

consulting and attorneys' fees related to the planning and actual performance of such Work. The cost of any Work performed by Grantee, as set for in this Agreement, shall, upon recordation of Notice of Lien with the Recorder of Deeds of DuPage County, Illinois, constitute a lien against the assets of Grantor and the Property.

5. Grantee shall indemnify, defend and hold harmless Grantor and any occupant or tenant of the Property, if any, harmless from and against any and all losses or claims, demands, actions, liabilities, expenses (including reasonable attorneys' fees) and costs for damage to property or persons whatsoever, arising from or caused by the negligence or intentional misconduct of Grantee or Grantee's agents, servants, invitees or contractors in connection with the construction, installation, maintenance, repair, alteration, operation, removal of the Storm Water Facility and/or the exercise by Grantee or its agents, servants or invitees of any rights contained in this Agreement.

6. Grantee shall, in the exercise of the rights and privileges granted to it hereunder, adhere to and comply with all laws, orders and regulations applicable to the construction, installation, maintenance, repair, alteration, operation, replacement and/or removal of the Storm Water Facility.

7. The easement hereby conveyed is granted subject to the existing rights of record, if any, of third persons, including, without limitation, any and all rights of way, easements and licenses heretofore acquired or granted, in, over and across the Detention Area.

8. This Agreement may only be amended by the mutual written agreement of the parties hereto.

9. The easement contained in this Agreement shall inure to the benefit of and be binding upon the successors and assigns of the parties hereto.

10. All notices and demands to be given by one party to the other party under this Agreement shall be given in writing, mailed or delivered to Grantor or Grantee, as the case may be, at the address set forth, below, or at such other address as either party may hereafter designate. Notices shall be delivered by hand or by United States certified or registered mail, postage prepaid, return receipt requested, or by a nationally recognized overnight air courier service or by a locally recognized courier service. Notices shall be considered to have been given upon the earlier to occur of actual receipt or two (2) business days after depositing in the United States mail.
