DATE: December 26, 2018 (COW)(B of T) Date January 3, 2019

TITLE: A Motion Authorizing Execution of a Contract Addendum with Prescient Development, Inc. for Technical Support Services.

SUBMITTED BY: Kevin Goethals, IT Manager

BACKGROUND/POLICY IMPLICATIONS:

Staff is requesting Village Board approval of the motion authorizing execution of an addendum to the current three year contract with Prescient Solutions for IT Technical Support Services in accordance with the terms of the attached agreement. This addendum reflects a change in Prescient staffing levels to be reduced from three technicians down to two.

First year costs for their services will be \$475,972.32. This is a decrease of \$36,166.68 (7%) compared to the current annual cost of \$512,139.00. Year two costs will be \$407,139.00. This is an annual decrease of \$105,000.00 (21%). This is consistent with the staff recommendation to the Village Board at the time of hiring for the IT Manager position.
