MEMORANDUM

FROM: William J. Heniff, AICP, Acting Community Development Director *WJH*

DATE: September 18, 2008

SUBJECT: Variance Extension – 1144 E. Woodrow Street (ZBA 07-08)

Ordinance 6068, which was associated with the ZBA 07-08, granted a variance to reduce the rear yard setback requirement from thirty-five feet (35') to twenty-nine feet (29') to allow a building addition on the subject property. Pursuant to Section 155.103 (C)(10) of the Lombard Zoning Ordinance, otherwise known as Title 15, Chapter 155 of the Code of Lombard, Illinois, variations are null and void if construction is not substantially underway within one year from the date of granting thereof, unless a time extension is granted by the Village Board.

The petitioner has provided the attached written correspondence requesting a one year extension of the variance associated with ZBA 07-08. The petitioner has verbally indicated to staff that due to economic reasons, they have delayed the start of construction of their project at this time, but intend to do so in the future.

RECOMMENDATION:

Staff recommends that the Village Board extend the life of the variance associated with ZBA 07-08 for an additional one year time period from the date of the time extension approval (i.e., September 18, 2009). Staff also requests a waiver of first reading of the Ordinance.
