At the commencement of this **Contract**, the **Contractor** shall provide all **Residential** dwelling units in the **Village** with one 35, 64 or 96-gallon blue **Recyclables Cart**. The default size shall be 64-gallon and the 35 or 96-gallon sizes shall be provided in exchange if so requested by the resident. Additionally, if the **Contract** is extended beyond March 31, 2021, a mutually accepted rate will be negotiated to maintain or replace **Recyclables Carts** damaged due to fair wear and tear. This rate will not exceed \$1.00 per month. All **Recyclables Carts** must be supplied by the **Contractor** and are property of the **Contractor**.

Each **Commercial** customer shall be entitled to either one 96-gallon blue **Recyclables Cart** with once weekly service or a one-yard **Recyclables** container with monthly service at the discretion of the **Contractor** and at no cost for the duration of the **Contract**.

Commingling of **Recyclables** is allowed. Commingling is placing all permissible **Recyclables** into a recycling bin or **Recyclables Cart**. The **Contractor** shall collect, remove, source separate, and deliver for processing all properly presented **Recyclables**. **Recyclables** may be commingled by residents for collection by the **Contractor**. Paper and non-paper items may be put in the same receptacle for pick up by the **Contractor**, provided they are properly prepared.

The **Contractor** shall collect from the **Recyclables Cart** and all recycling bins that have been placed at the **Curbside** for collection and shall place emptied recycling bins upside-down to prevent the bins from blowing about. No sticker shall be required for the recycling bins or **Recyclables Cart**.

A **Party** detrimentally affected by a **Material Change** shall so notify the other **Party** and request amendment to the **Contract** accordingly, and the **Parties** shall engage in good faith negotiations for a period of not less than six (6) months after such request, regarding such amendment of the **Contract** as reflects the extent to which the provisions hereof have been, or should be, so modified or suspended. If a **Material Change** precludes or reduces any of **Contractor's** rates or other revenues, then the **Parties** shall modify the **Contract** in accordance with this provision in order that **Contractor** can achieve, on an ongoing basis, profits that existed immediately prior to the **Material Change**.
