Project Plan Approval

Dear Mr. Goldsmith:

In accordance with the provisions of Title 35 Illinois Administrative Code 662.330, the Agency hereby confirms the findings of its Notice of Intent to Issue a Categorical Exclusion for the above referenced project planning. Having provided adequate opportunity for public comment on the proposed project and having received none during the prescribed project comment period, the Agency finds that no modification to either the project plan or the Agency's assessment is required. The Agency therefore grants approval of the project plan.

This Planning Approval is an important step toward obtaining Public Water Supply Loan Program (PWSLP) funding; however, a number of additional requirements must be met before a loan commitment is achieved. Before proceeding toward the bidding of construction contracts, you should be in direct contact with your Project Manager to assure that sufficient progress has been made towards satisfying these additional requirements as defined in Section 662.350 of the Loan Rules.

If you have any questions, please feel free to contact your project manager, George Lambert of the Infrastructure Financial Assistance Section at 217/782-2027.

Sincerely,

Gary Bingenheimer, P.E., Manager
Infrastructure Financial Assistance Section
Bureau of Water
