## **Parking Survey Results for View St. between West Rd. and Elizabeth St.**

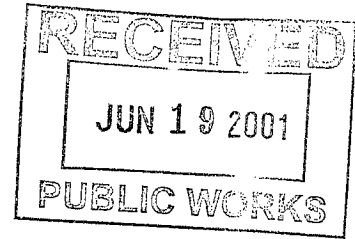

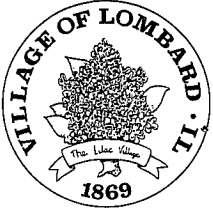

### History

On February 21, 2000 "No Parking" signs were installed on the south side of View St. between West Rd. and Elizabeth St. These signs were installed to alleviate congestion caused by school functions and park activities. There have been questions as to why a full-time restriction versus a school day restriction was applied. On June 7, 2001 a survey was mailed to 17 residents directly affected by the "No Parking" zone. The following are the facts collected from the survey:

- 17 surveys were mailed to residents and 11 surveys were returned by the July 1, 2001 deadline.
- 1 survey was not completed.
- 2 surveys indicated - Remove all parking restrictions on the south side of View St. between West Rd. and Elizabeth St.
- 3 surveys indicated - Leave "No Parking" signage as is on the south side of View St. between West Rd. and Elizabeth St.
- 5 surveys indicated - Change signage to read, "No Parking, School Days, 8 am-4pm".

The surveys contained many comments and concerns regarding View St. parking. The returned survey forms will be copied and distributed to the Transportation and Safety Committee members for their review and discussion at the next meeting. The Transportation and Safety Committee normally meets the first Monday of the month in the Village Hall at 7:30 PM. An August 6, 2001 Transportation and Safety Committee meeting has been scheduled. Please call 620-5740 to verify meeting date and time since cancellations are possible during the summer months. If you have any questions or concerns please call John Johnson at 620-5740.

### Parking Survey for View St. between West Rd. and Elizabeth St.

#### History

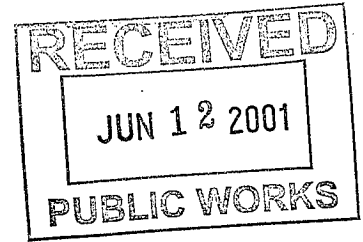

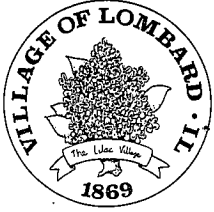

On February 21, 2000 "No Parking" signs were installed on the south side of View St. between West Rd. and Elizabeth St. These sign were installed to alleviate congestion caused by school functions and park activities. There have been questions as to why a full-time restriction versus a school day restriction. The following is a survey to get the feel of the neighborhood as to what the majority would like to see on their street. The only suggestion I have is that any parking restrictions should be posted on the south side of View St. This will allow vehicles to move away from the school and not add congestion at View St. and Elizabeth St. intersection.

Please place a "X" on the line of your choice or use the comment area if you have a different idea. Place your survey in the enclosed envelope and mail by July 1, 2001. If you have any questions or concerns, please call John Johnson, Technical Services Supervisor at 620-5740.

- Leave "No Parking" signage as is on the south side of View St. between West Rd. and Elizabeth St.
- Change signage to read, "No Parking, School Days, 8 am-4pm"
- Remove all parking restrictions on the south side of View St. between West Rd. and Elizabeth St.

#### Comments:

The sign needs to read "NO PARKING DURING SCHOOL EVENTS". School events are not just between the hours 8 & 4. There have been times in the evening that we have been completely blocked in during a school event. Other than those times there is no need to have limited parking on the streets.

- Leave "No Parking" signage as is on the south side of View St. between West Rd. and Elizabeth St.
- Change signage to read, "No Parking, School Days, 8 am-4pm"
- Remove all parking restrictions on the south side of View St. between West Rd. and Elizabeth St.

#### Comments:

I understand there are 2 fifteen minute periods on school days (drop off and pick up) when there is congestion. I would suggest you restrict parking during those periods, if at all.

I wish you would have surveyed prior to making the change. This seems to be an expensive way to do this process.

The only suggestion I have is that any parking restrictions should be posted on the south side of View St. This will allow vehicles to move away from the school and not add congestion at View St. and Elizabeth St. intersection.

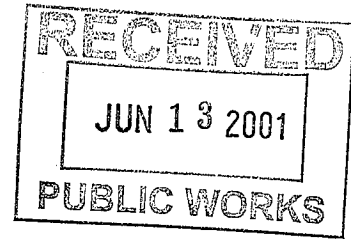

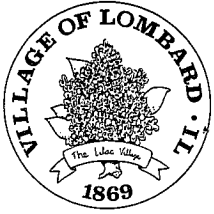

Please place a "X" on the line of your choice or use the comment area if you have a different idea. Place your survey in the enclosed envelope and mail by July 1, 2001. If you have any questions or concerns, please call John Johnson, Technical Services Supervisor at 620-5740.

- Leave "No Parking" signage as is on the south side of View St. between West Rd. and Elizabeth St.
- Change signage to read, "No Parking, School Days, 8 am-4pm"
- Remove all parking restrictions on the south side of View St. between West Rd. and Elizabeth St.

#### Comments:

*By leaving the signage as is, it prevents the street from being blocked in the evening when there are school functions. If the signs are changed and parking resumes on both sides of the street in the evenings I believe emergency vehicles would have a very difficult time responding to calls.*

*I really have no preference as to which side of the street has the signs, but on side should →*

- Leave "No Parking" signage as is on the south side of View St. between West Rd. and Elizabeth St.
- Change signage to read, "No Parking, School Days, 8 am-4pm"
- Remove all parking restrictions on the south side of View St. between West Rd. and Elizabeth St.

#### Comments:

*I see that some people do not obey the No Parking Signs - many times cars are parked on both sides of the street - especially on weekends and evenings - making it almost impossible to drive down the street - The rules have to be enforced, and not just by a few. The street is not wide enough for two sides of parked cars.*

- Remove all parking restrictions on the south side of View St. between West Rd. and Elizabeth St.

#### Comments:

(1) The other streets by the school have restricted parking - (2) There are 18 children on our block 4 in one family 5 in another 1 - and four at the corner and 4 next door to me and people cannot see all these kids crossing back and forth - (3) This last winter made it impossible to pull into your own driveway with cars parked on both sides.

Comments:

The only time the street gets congested is during school hours. We have lived here 7 years & have not had a problem.

#### Comments:

Please look into reducing parking on Greenfield  
between Park and Main st. It gets very  
tight to pass with the current parking.

Thank You!

#### Comments:

*NO PARKING SIGNS SHOULD BE PLACED ON THE SOUTHSIDE OF GREENFIELD, BETWEEN MAIN & ~~ELIZABETH~~ PARK. AS IT IS NOW WITH PARKING ON BOTH SIDES, THAT BLOCK BECOMES "ONE WAY" WEST RD & VIEW ST, NORTH BOUND. NO ONE STOPS AT THE STOP SIGN, THAT INCLUDED VILLAGE VEHICLES & POLICE CARS - IT'S BEEN THIS WAY FOR YEARS. NO ONE SEEMS TO CARE.*

Comments:

We are aware this form is late, we have been out of town. As a PTA board member at Park View School we are aware of the parking problems around the school. The problem is not just during school hours, we have a lot of extra school activities. No Parking on the south side of View has helped the traffic flow around the school. We are aware that neighbors would like the no parking signs removed so they can load and unload their vehicle. For the safety of the children I would recommend "no parking" signs remain on the south side of View.

#### Comments:

I'VE LIVED ON THIS CORNER FOR 30 YRS  
AND DON'T UNDERSTAND THE NEED FOR THE SIGNS  
AT ALL. BUT CAN SEE THE NO PARKING ON SCHOOL DAYS  
ONLY, WHY WERE THESE EVEN PUT UP, AND NOW  
A QUESTION ABOUT HOW THEY SHOULD READ. DOESN'T  
THE TRANSPORTATION & SAFETY COMMITTEE DISCUSS THIS  
WITH ALL, THAT SIGNS WILL AFFECT ON SAID AREAS
