PROPERTY INFORMATION

Existing Land Use: Single-family residence

Size of Property: 15,840 sq. ft.

Comprehensive Plan: Recommends Estate Residential

Existing Zoning: DuPage County R-4 Single-Family Residence District

Surrounding Zoning and Land Use:

North: R2 Single Family Residence District – single-family homes

South: R2 Single Family Residence District – single-family homes

East: R2 PD Single Family Residence District Planned Development – currently under construction as the Yorkshire Woods single-family subdivision

West: R2 Single Family Residence District – single-family homes

ANALYSIS

SUBMITTALS

This report is based on the following documents:

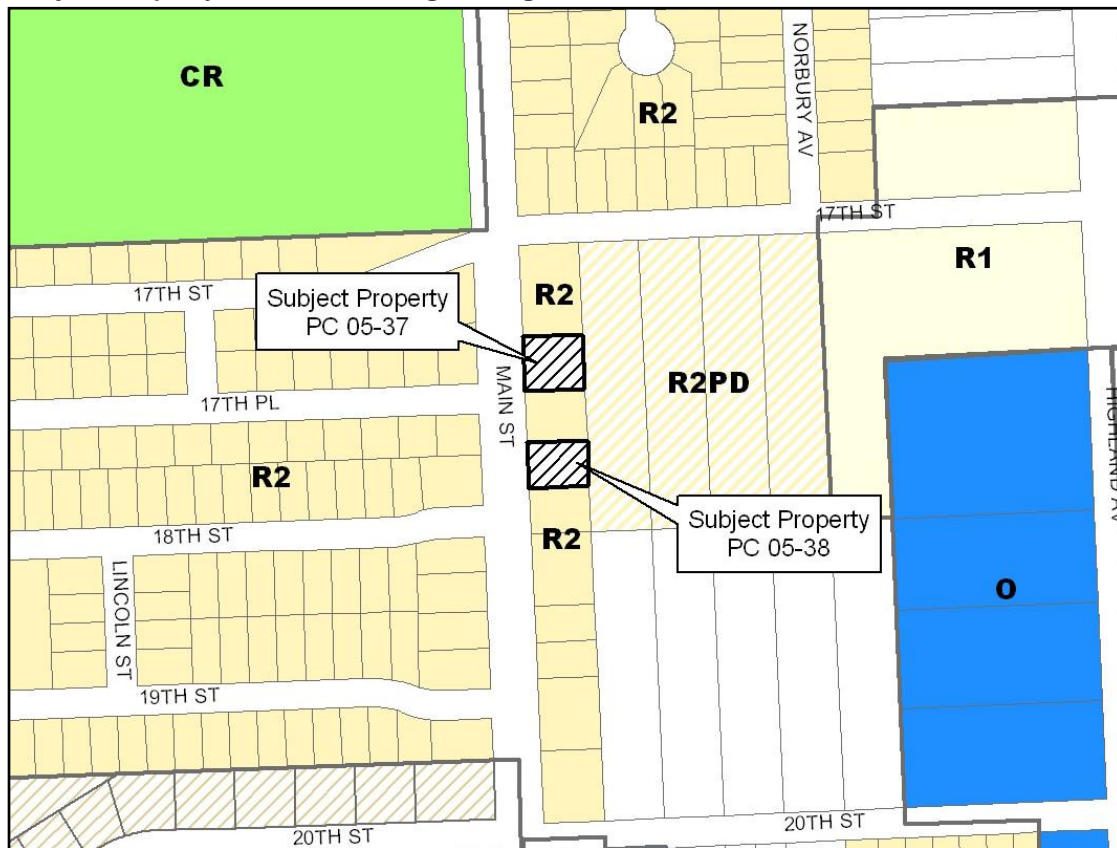

1. Plat of Annexation, prepared by Glen D. Krisch Land Surveyor, Inc., dated April 14, 2005.

DESCRIPTION

The subject property is currently within unincorporated DuPage County. At the time of this writing, the involuntary annexation of this property is scheduled to be considered as part of a public hearing at the November 3, 2005 Board of Trustees meeting. However, the property owners are now considering an annexation agreement.

Regardless of whether the annexation is voluntary or involuntary, in this petition the Plan Commission is being asked to consider the appropriateness of rezoning the subject property from the R1 Single-Family Residence District to the R2 Single-Family Residence District.

Planning

Staff finds that the proposed rezoning meets the Standards for Map Amendments as set forth in the Zoning Ordinance:

- 1) *Compatibility with existing uses of property within the general area of the property in question;* The subject property is an existing single-family residence surrounded by other single-family homes.
- 2) *Compatibility with the zoning classification of property within the general area of the property in question;* All of the surrounding properties are within the R2 District.
- 3) *The suitability of the property in question to the uses permitted under the existing zoning classification;* The subject property is a single-family residence, which is permitted within the R1 District.
- 4) *Consistency with the trend of development, if any, in the general area of the property in question, including changes, if any, which have taken place in its present zoning classification;* The properties to the north and east were annexed into the Village and rezoned to from the R1 District to the R2 District earlier this year (Yorkshire Woods Subdivision and 1703 S. Main Street).
- 5) *The compatibility of the surrounding property with the permitted uses listed in the proposed zoning classification;* The surrounding properties are single-family residences, which are permitted within the R2 District.
- 6) *The objectives of the current Comprehensive Plan for the Village of Lombard and the impact of the proposed amendment on the said objectives;* The Comprehensive Plan calls for this area to be developed as Estate Residential (four units per acre). The property presently has a

density of 2.75 units per acre. Rezoning the property to R2 would permit the property to be subdivided into two single-family lots, which would be equivalent to 5.5 units per acre.

- 7) *The suitability of the property in question for permitted uses listed in the proposed zoning classification.* The subject property is a single-family residence, which is permitted within the R2 District.

FINDINGS AND RECOMMENDATIONS

Based on the above findings, the Inter-Departmental Review Committee recommends that the Plan Commission make the following motion recommending **approval** of this petition:

Based on the submitted petition and the testimony presented, the requested relief complies with the standards required by the Lombard Zoning Ordinance; and,

Therefore, I move that the Plan Commission accept the findings and recommendations of the Inter-Departmental Report as the findings of the Plan Commission and I recommend to the Corporate Authorities **approval** of PC 05-37.
