MEMORANDUM

To: David Hulseberg, Village Manager  
Through: Carl S. Goldsmith, Director of Public Works *CSG by DRK*  
From: Angela M. Podesta, Utilities Superintendent *AMP*  
Date: April 23, 2013  
Subject: Catch Basin Cleaning Bid

On April 23, 2013, two bids were received for the Catch Basin Cleaning project. This project is designed to supplement the annual catch basin cleaning program performed by Village crews. The Village has a goal of cleaning one-third of the Village-owned catch basins each year. This program is one component of the Combined Sewer Overflow Operations & Maintenance Plan required by the IEPA Permit for the Lombard Combined Sewerage Treatment Plant to reduce sediment entering the treatment plant during rain storms.

Bids were received from the following companies:

Company	Proposal Amount
United Septic Inc., Beecher, IL	\$59,200.00
National Power Rodding Corp., Chicago, IL	\$64,000.00
Budget	\$50,000.00

United Septic, Inc. of Beecher, IL, has performed satisfactory work, including sewer cleaning and televising, for the Village in the past.

The Catch Basin Cleaning project is budgeted in the Water & Sewer Capital Reserve Fund at a cost of \$50,000 for FY 2013. This bid is over budget by \$9,200. This overage will be offset by reducing projects in the Sewer Maintenance & Improvement program that is also funded in the Water & Sewer Capital Reserve Fund. This bid contains an option for a one-year renewal.

Therefore, I am requesting the Board of Trustees award a contract for the Catch Basin Cleaning Project to United Septic, Inc. of Beecher, IL, in an amount not to exceed \$59,200 for FY 2013 at their May 2, 2013 meeting.
