

Petition for Safety Fence along Union Pacific Railroad

Petition for continuous fencing / barrier along the southern side of the Union Pacific Railroad tracks from Grace Street to Westmore Avenue for reason of community safety. Request that fence be a minimum of 6 feet in height and of chain link or open visibility material. Also request thorny privit type hedges for areas where there is public access.

Homeowners with properties adjacent to tracks must be willing to work with the Village regarding placement of fence.

Homeowners with properties adjacent to tracks must be willing to work with the Village regarding placement of fence.

Petition for Re-drawing of School Attendance Area within District 45

Area of consideration:

Three and 1/2 blocks of Lombard that fall south of the Union Pacific Railroad and north of St. Charles Road, currently zoned for Schafer and Jefferson Schools. Specifically, residential areas of N. Chase Avenue, N. Highland Avenue, N. Ahrens Avenue, N. Westmore Avenue and St. Charles Road addresses along these streets.

Reason: For issues of safety, distance, and lack of a railroad crossing within reasonable walking distance, we submit that the above noted area would be better served by schools, within our District, that are located south of the Union Pacific Railroad.

By my signature, I hereby support this petition and certify that I am at least 18 years of age.
