MEMORANDUM

To: Scott Niehaus, Village Manager

Through: Carl S. Goldsmith, Director of Public Works *CG*

From: Tom Ellis, Operations Superintendent, Public Works *TE*

Date: November 21, 2016

Subject: **Street Light Poles, Replacement Poles**

The Village of Lombard has received authorization to purchase street light poles directly from the manufacturer. Bypassing local vendors will allow the village to purchase the poles at a reduced cost. The VEM04.06 light pole is a Village specified light pole.

Each year public works staff replaces light poles that are aged and failing or knocked down after being hit by a vehicle. To help expedite the replacements or repairs the village will store an inventory of light poles to draw from.

Staff recommends approving the purchase of 25 light poles from Ameron Pole Products in the amount of \$39,425.00. Please present this item to the Board of Trustees at the December 1, 2016 meeting for their approval.
