Subject: Public Safety and Transportation and Safety Committee Recommendation

Removal of the No Parking 7am-4pm M-F sign: Broadview Ave. from North Ave to dead end. Adding No Commercial Truck Parking from North Ave to dead end on Broadview.

I am requesting for the removal of the No Parking 7-am-4pm M-F in the area of 711 N. Broadview (North Ave. near the dead end). I am requesting that we place a No Commercial Trucks Parking at all times in the area.

With the new addition of the Thornton's Gas Station/ Truck Stop (511 W. North Ave.), numerous trucks are parking on Broadview for long periods of time causing many problems for the resident at 711 N. Broadview. Mail deliveries and garbage pick-ups have stopped at times because trucks are blocking the driveway. Truck drivers should not be parking/abandoning their trucks on Broadview and should be parking in the parking lot at Thornton's which it was designed.

We all know that trucks cause more damage to roads than a normal car. They are damaging the roadway when turning around and knocking down signs in the area while attempting to park.

I spoke to Joana who lives at 711 N. Broadview and she strongly agrees that there should be no commercial parking on Broadview. I also spoke to Becky at Lombard Assembly of God located at 447. W. North Ave. She agrees that there should be no commercial parking at all times on Broadview.

The Police Department's recommendation to remove the sign and add the new signage was made at the March 3, 2021 PSTC meeting. The PSTC approved the request and the Police Department's recommendation.
