

TO: PRESIDENT AND BOARD OF TRUSTEES

FROM: Scott Niehaus, Village Manager

DATE: January 3, 2022 (COW)(B of T) January 6, 2022

TITLE: Motion to Ratify Joinder Agreement for the Illinois Opioid Allocation Agreement

SUBMITTED BY: Tim Sexton, Finance Director

BACKGROUND/POLICY IMPLICATIONS:

Illinois has been involved with litigation against opioid manufacturers and distributors. Many of these lawsuits are coming to settlements at this point. The attached State-Subdivision Agreement will govern the allocation of funds received by Illinois pursuant to these settlement agreements, as well as sums collected through future national settlements with Opioid Defendants. At this point, no information is available for what these settlement amounts may mean for the Village.

The Village received this agreement from the Illinois Attorney General's office on Thursday, December 23, 2021, and it needed to be submitted by January 2, 2022. Therefore, Village Manager Scott Niehaus executed the Joinder Agreement on December 29, 2021. Staff is requesting that the Village Board ratify the Joinder Agreement for the Illinois Opioid Allocation Agreement.
