## MEMORANDUM

**TO:** David A. Hulseberg, Village Manager

**FROM:** Joelyn Kott, Communications Coordinator *Joelyn*

**DATE:** April 7, 2011

**SUBJECT:** **President's Community Service Award – Brian Vogel/Rock Bottom Brewery**

The Community Relations Committee at their April 12, 2010 meeting instituted the President's Community Service Award. The award recognizes those adults that provide special service above and beyond their community.

Brian Vogel and his staff at the Rock Bottom Brewery were nominated by Sandra Hill, MSW Outreach Coordinator, for their community involvement with The Community Table and First Things First Infant Needs Outreach.

Please present the President's Community Service Award to Brian Vogel and his staff at the Rock Bottom Brewery at the April 7, 2011 Village Board of Trustees meeting.

*Mr. David Hulseberg  
Village of Lombard  
Lombard, IL 60148  
February 15, 2011*

*Dear David,*

*As a Lombard resident and as a Social Worker in our community addressing the needs in our community, I believe when we work in partnership-government, citizens and businesses, we are able to enrich the lives of our residents.*

*I have had the honor and pleasure to work with Brian Vogel and his staff at Rock Bottom Brewery this past year. Under Brian's leadership, compassion, professionalism and endless energy, he and his staff had made a tremendous difference in so many lives.*

*RB Lombard and I have worked together addressing food insecurities in our community with The Community Table. Community Table is the first Soup Kitchen in DuPage County in partnership with Northern Illinois Food Bank. Brian and his team, with their phenomenal Executive Chef Pawel Marszalek, prepare remarkable meals the first Wednesday of every month. They not only have accepted the challenge of using the food purchased from Northern Illinois Food Bank to "create" incredible meals, but they welcome, serve and interact with our guests with care and respect. Brian and his staff recognize and realize that our goal is to provide healthy meals, but also the goal of providing an atmosphere, which addresses the social and emotional aspect of gathering together at a table.*

*Brian once again with his staff worked in partnership with First Things First Infant Needs Outreach to assist the babies in need on our own community. RB Lombard held a major fundraiser for FTF in December of last year (many of you supported-thank you) because of the values of sharing caring and giving back. However, I believe, more importantly, it is because this is who they are, loving, caring, compassionate people who work together, play together and hold the basic value of doing what is right for those less fortunate.*

*Mr. Hulseberg, The Village of Lombard is a better community because of Brian Vogel, his team and their dedication to others. Should there be an opportunity that our Village Government recognize their commitment to our residents, I would encourage you to do so. Thank you.*

*Sincerely,*

*Sandra J. Hill, MSW  
Outreach Coordinator*
