- East: Property zoned R4 (Single Family Residential) within unincorporated DuPage County and developed as single family residences
- West: Property zoned CR Conservation/Recreation District and developed as Manor Hill School, Glen Westlake Middle School, and Four Seasons Park

ANALYSIS

SUBMITTALS

This report is based on the following documentation, which was filed with the Department of Community Development on August 12, 2008:

1. Plat of Subdivision – Christ the King, prepared by Gentile & Associates, dated May, 12, 2008.

DESCRIPTION

A plat of subdivision is being brought forward at this time to facilitate the proposed construction associated with PC 04-31. Since the subject property is greater than an acre in size, it is considered a major plat of subdivision and must be reviewed and approved by the Plan Commission and Board of Trustees.

INTER-DEPARTMENTAL REVIEW COMMENTS

PUBLIC WORKS

The Department of Public Works has no comments on the petition.

PRIVATE ENGINEERING SERVICES

The Private Engineering Services Division of Community Development has no comments.

BUILDING & FIRE

The Fire Department/Bureau of Inspectional Services has no comments at this time.

PLANNING

The proposed subdivision is intended to create a separate lot of record for the subject property. This subdivision meets all of the requirements of the Zoning Ordinance and Subdivision and Development Ordinance. The proposed lot will exceed the minimum lot width and area requirements of the underlying zoning district. As the plat shows, the site will now provide a new Wetland Conservation Easement and Stormwater Detention Easement adjacent to 16th

Street. A fifteen (15) foot Public Utility and Drainage Easement will be provided along Main Street and a thirty (30) foot Watermain Easement is also to be provided adjacent to 16th Street. Staff recommends that the plat be approved.

FINDINGS AND RECOMMENDATIONS

Staff has reviewed the petition and concurs that the proposed subdivision meets the standards set forth in the Subdivision and Development Ordinance and the Zoning Ordinance. As such, the Inter-Departmental Review Committee recommends that the Plan Commission make the following motion:

Based on the submitted petition and the testimony presented, the proposed Plat of Subdivision **meets** the requirements of the Lombard Subdivision and Development Ordinance and the Zoning Ordinance, and therefore, I move that the Plan Commission recommend to the Corporate Authorities **approval** of the Plat of Subdivision associated with SUB 08-03.
