

**To:** Chairperson and Public Safety and Transportation Committee  
**From:** Matthew Lew, PE, Civil Engineer *ML*  
**Through:** Carl Goldsmith, Director of Public Works *CG*  
**Date:** October 27, 2015  
**Subject:** November 2015 Meeting Item 3—Wilson Avenue Parking Restriction

---

The Public Works Department has previously received requests to continue the south side parking restriction on Wilson Ave west of Finley Rd to the Village limits, and the Committee previously reviewed this request. At that time, the Committee amended staff recommendation and enacted the restriction near the Finley intersection. The residents sent the attached petition to enact parking restrictions from 9 a.m. to 3 p.m. to the Village limits, and the petition contains the majority of affected residences. The restriction ends slightly west of Finley and resumes in the unincorporated portion. For uniformity and resident safety, staff recommends the restriction to include the portion between Finley Rd to the Village boundary (Highmoor Rd) in accordance with original staff recommendation.

Staff recommends approval of the above request.

Wilson Ave

EB Wilson approaching Finley Rd

Dear Sir,

We, the following residents are experiencing extreme difficulties due to students parking in front of our houses. Though our driveways are not blocked, coming out of our driveways or getting on it becomes difficult at times. These cars are sometimes close to the mailboxes.

So, we request you to post "No Parking During School Days 9AM-3PM" signs, like on the other streets in the vicinity of the school. This will help in eliminating our ongoing problem.

Your early action is highly appreciated.
