Subject: Results of the Central Station, P.W. Administration Building and Vehicle Storage building Roof Rehabilitation Project

As part of the Village's effort to address the backlog of facility improvements/repairs, the FY 2012B and FY 2013 CIP's contain funding for the repair of the roofs at the Central Pumping Station, Public Works Vehicle Storage Garage and the Public Woks Administration Building. On Monday, September 17, 2012, the Village opened bids for the Central Station, P.W. Administration Building and Vehicle Storage building Roof Rehabilitation Project.

Bid specifications were sent to the Master Intergovernmental Cooperative Purchasing Agreement (MICPA) with U.S. Communities Government Purchasing Alliance. Currently 497 communities in Illinois are participating in U.S. Communities Government Purchasing Alliance. The U.S. Communities Government Purchasing Alliance is a program that affords member communities an opportunity to participate in a program whereby a service or commodity is publically bid by a Lead Agency and the results of that competitive solicitation is available to all 90,000 public agencies. The Village of used the same process for the Police Department roof project. Garland/DBS, Inc. administered a competitive bid process for these projects. Bid specification were sent to or picked up by three (3) contractors, resulting in three (3) bidders responding who met Village specifications. The bid results are as follows:

<u>Supplier</u>	<u>Total Price</u>
<b>Riddiford Roofing Company</b> 2333 Hamilton Rd, Arlington Heights, IL	<b>\$417,999.00</b>
Ridgeworth Roofing Company, Inc. 9720 Industrial Dr, Bridgeview, IL	\$467,403.00
American Roofing 621 W. Washington, West Chicago, IL	\$515,563.00

The Central Station and Vehicle Storage building roof projects came in over budget for FY2012B Capital Improvement Projects. The Public Works Administration Building roof project was under budget and programmed in the FY2013 Capital Improvement Program. Combining all three individual projects into one project allowed the Village to meet budgeted amounts of \$418,000.00. This project will be completed in accordance with the bid specifications within 120

days after notice to proceed is given to the contractor. The table below provides an overview of the available funding and contract pricing received through the U.S. Communities Government Purchasing Alliance.

<b>Facility</b>	<b>FY 2012B/FY 2013 CIP</b>	<b>Bid Prices</b>
Central Station	FY2012B \$63,000.00	\$81,115.00
Public Works Vehicle Storage Garage	FY2012B \$105,000.00	\$230,762.00
Public Works Administration	FY2013 \$250,000.00	\$133,122.00
TOTAL	\$418,000.00	\$417,999.00

The Public Works Department is recommending that Riddiford Roofing Company be awarded a contract for the Central Station, Vehicle Storage Building, and Public Works Administration Building Roof rehabilitation Rehabilitation Project in an amount not to exceed \$417,999.00.

This project was bid in accordance with the Illinois Public Act #85-1295.
