Terms and Conditions

1. **Term.** Customer hereby orders the Local Exchange, Interexchange and miscellaneous services incident thereto as described herein (collectively, the "Services") for the term selected by Customer on Page 1 of this Agreement (the "Term"), effective as of the date the Services are installed or first provided (the "Effective Date"). Upon expiration of the Term, the usage rates and monthly recurring charges applicable to a Term other than Month-to-Month will revert to Call One's prevailing month-to-month rates unless Customer has (1) entered into a successor agreement or (2) canceled the Service, in each case effective as of the expiration of the Term. Call One is not responsible for notifying customer of the expiration of any Term.
2. **Rates.** (a) Unless otherwise specified on Page 1 of this Agreement, Call One's prevailing month-to-month rates for lines, features, other monthly recurring charges and non-recurring charges (e.g., installation, service establishment and/or other non-recurring charges) will apply to the Services. By executing this Agreement, Customer acknowledges that it has received notice of and is aware of the rates and other charges that apply to the Services that are not specifically identified on Page 1 of this Agreement. If there is any change to Call One's prevailing rates or charges that apply to the Services, Customer will be notified in its monthly invoice or in the applicable state tariff, effective as stated therein. If Customer has elected a Term other than Month-to-Month, the usage rates and monthly recurring charges (each expressed as a rate or as a discount off Call One's prevailing month-to-month rates) identified on Page 1 of this Agreement will apply to the Services during the Term. (b) Call One shall also bill Customer as a separate line item all applicable federal, state and other governmental fees, surcharges and taxes. (c) Call One may, at its sole discretion, increase the rates for Band C, 1+ long distance or inbound 800/888 toll-free Services, if and to the extent the charge from the local exchange carrier to terminate the outbound calls or to originate the inbound calls exceeds twenty-five percent of the rate for that Service, and that Service will be provided on a month-to-month term.
3. **Authorization.** Customer authorizes Call One to act as its agent for purposes of obtaining information on Customer's existing telecommunications and related service(s) and to submit orders to reflect the Services ordered under this Agreement for the specific Billing Telephone Numbers (BTN) and/or physical locations listed below and included in any supplement to this Agreement. This grant of agency shall remain in effect until revoked by Customer.
4. **Existing Commitments.** (a) If Customer has an existing term commitment contract with another service provider (a "Third Party Commitment"), Customer acknowledges that, in addition to the Terms and Conditions of this Customer Service Agreement, Customer shall remain obligated under the terms of such Third Party Commitment and shall be solely responsible for any penalties, fees or charges by virtue of that Third Party Commitment. (b) If, as part of Call One's provision of Services, Customer terminates a Third Party Commitment(s), Customer agrees that it is solely responsible for the fees associated with such termination. Further, no discount is provided for the related services unless and until Customer has agreed to terminate the Third Party Commitment(s) as provided above or the Third Party Commitment(s) has expired and Customer has entered a new agreement directly with Call One.
5. **Early Termination/Cancellation.** Customer shall be required to provide Call One a minimum of 30 days notice in writing of any termination/cancellation of Service(s). (a) If Customer terminates the Service in whole or in part prior to the expiration of the Term, Customer will be liable for an early termination charge equal to the Term Savings Recovery. As used herein, "Term Savings Recovery" is the total usage and monthly recurring charge discount received by the Customer calculated as follows: (A) the difference between the total usage charges billed to Customer at the discounted rates Customer received for the Term selected in this Agreement and the total usage charges that would have been billed to Customer at the Call One tariff month-to-month usage rates in effect as of the Effective Date; and (B) the difference between the discounted monthly recurring charges Customer received for the Term selected in this Agreement and the Call One tariff non-discounted monthly recurring charges in effect as of the Effective Date times the number of months Service was provided. In addition, Customer shall also be liable for any installation and/or other non-recurring charges that were waived. (b) If Call One terminates Service(s) in whole or in part due to Customer's non-payment or default, customer will be deemed to terminate the Service(s) and liable for all early termination charges. (c) If Customer cancels Service before the Service is established, Customer shall be liable to Call One for all reasonable expenses incurred by Call One to process the order for Service.
6. **Inside Wiring.** The applicable rates for inside wiring provided directly by Call One to Customer are specified on the technician-charges page of the Call One website at www.callone.com. Inside wiring provided by a third party vendor will be billed at their applicable rates and charges. In addition, any installation charges identified on Page 1 of this Agreement applies to the initial Service installation and does not include inside materials and wiring.
7. **Liability.** The entire liability of Call One, if any, for damages to Customer or to any third party whether in negligence, tort, contract or otherwise, which may arise from Call One's performance or non-performance of the Services is limited to an amount equal to a prorated adjustment of applicable monthly recurring charges for the Services affected or any portion thereof. The foregoing limitation of liability includes any mistakes, omissions, interruptions, delays, errors or defects in transmission occurring in the course of installing and/or furnishing the Service.
8. **Applicability of Tariffs.** This Agreement orders Services at rates provided herein and subject to the terms and conditions set forth in Call One's then-applicable state tariff, which tariff is incorporated by reference. State tariffs are available through the regulatory page of the Call One web site currently at www.callone.com. Customer acknowledges all services purchased pursuant to this agreement are for business purposes.
9. **Assignment.** Customer may not assign this Agreement (by operation of law or otherwise) without the prior written consent of Call One, which consent will not be unreasonably withheld or delayed. Any prohibited assignment shall be void ab initio.
10. **Entire Agreement.** Signed facsimile or scanned copies of this Agreement will legally bind the parties to the same extent as originally executed documents. The terms contained in this Agreement and any documents attached and referenced herein constitute the entire agreement between the parties with respect to the subject matter hereof.
11. **Jurisdiction / Collection Costs.** Any action or proceeding arising out of or related to this Agreement, the Tariffs or Services may be commenced in any state or Federal court of competent jurisdiction in the State of Illinois. The Parties submit and expressly consent to the jurisdiction of such court and expressly waive any right to a trial by jury. Call One shall be entitled to recover from Customer all reasonable collection costs, including attorneys fees.
