Subject: No Parking – Cruise Nights

A parking issue was brought forward by the Cruise Nights Committee. Limiting parking to one side of the street on specific streets will provide additional space for emergency vehicles and ease traffic flow during the Cruise Night events. Staff requests a change to the Village Traffic Code to post "No Parking Cruise Nights 5:00 p.m. – 10:00 p.m." at the following locations:

East side of Lincoln Ave. from St. Charles Rd. to Grove St.  
West side of Elizabeth St. from St. Charles Rd. to Eugenia Ave.  
North side of Grove St. from Park Ave. to Lincoln Ave.

Please see attached aerial image for further reference.

This item was tabled at the previous T&S meeting pending notification to the Trustee, Greg Gron. Trustee Gron concurred with the recommendation. The time of the parking ban was adjusted to correspond with other Cruise Night signs.
