ORGANIZATION

Number of years that the organization has been in existence:	66
Number of years that the project or event has been in existence:	23
Number of years the project has been supported by Village of Lombard funds:	23
How many years does the organization anticipate it will request grant funding?	Every year

1) Describe the organization (include brief history, mission, and ability to carry out this project):

The Lombard Area Chamber of Commerce and Industry is committed to promote positive development of our community and industries and to enhance the business climate for its members and to stimulate economic growth; to encourage retail, professional service, industrial, cultural and civic growth within the Lombard area. Over the past 23 years, this event has grown in both popularity and size. The process is tweaked each year as needed, and is smooth running and organized. Crafters say that it is the best run show that they are involved with. Each year it brings thousands into our downtown area and Lilacia Park. An excellent committee of dedicated volunteers is credited with helping this event to run smoothly each year.

- 2) Please describe how the program and any proceeds from the event support the goals and objectives of the organization, other local groups or initiatives, and the community at large:

This is one of the Chamber's main fund raisers. Proceeds benefit several area non-profit organizations, as well as give us the ability to offer more programs for the Lombard Area Chamber of Commerce members. The community at large benefits from having a number of crafters and vendors come into the downtown area, as well as an outdoor event to enjoy. The downtown area businesses have an opportunity to draw customers from the event.

- 3) What is the organization's plan to make the project self-sustaining?

This event will always need the cooperation and services of the Village of Lombard. We don't believe that this event could be self-sustaining – the Lombard Chamber cannot afford to put in the extensive time and effort of staff, without grant assistance from the Village. Planning for this event begins in December, and many staff and volunteer hours are put in from December thru the day of the event.
