

InterOffice Memo

To: William T. Lichter, Village Manager
From: David A. Dratnol, P.E. Village Engineer
Date: February 25, 2004
Subject: Lombard Hills East Phase V
Project Number: ST-04-07

Twenty-four (24) potential bidders purchased plans for the referenced project. Ten (10) bids were received and opened at 11:00 A.M. on February 24, 2004. Two (2) bids were disqualified because the Bidder's Certification was not included with the submitted bid documents.

Streets that are part of Lombard Hills East Phase V reconstruction include:

Berkshire Avenue (Stewart Avenue to Grace Street)
Stewart Avenue (Sunset Avenue to Pleasant Avenue)
Lombard Avenue (Sunset Avenue to Pleasant Avenue)

The reconstruction includes curb and gutter, roadway, and sidewalk replacement, sanitary sewer and water main replacement, street lighting and drainage improvements within the above limits.

Streets that are part of Lombard Hills East Phase V final surfacing include:

Sunset Avenue (Stewart Avenue to Grace Street)
Berkshire Avenue (Main Street to Stewart Avenue)

The final surfacing includes adjusting utility structures and placing bituminous surface course within the above project limits. These roadways were previously reconstructed during Phases II and III.

The results of the bid opening are listed below:

Company	TOTAL
R.W. Dunteman Company	\$2,019,671.30
Trine Construction Company	\$2,245,400.00
Bartlett Bituminous Asphalt	\$2,285,413.14
