TO: David A. Hulseberg, AICP, ICMA-CM, Village Manager

FROM: William J. Heniff, AICP, Community Development Director *WJH*

DATE: June 20, 2013

SUBJECT: **Resolution to Amend Resolution 61-08 the DuPage County Natural Hazards Mitigation Plan**

The Village of Lombard is being requested to approve the amended DuPage County Natural Hazards Mitigation Plan. The Plan states and identifies activities that can be undertaken by both the public and the private sectors to reduce safety hazards, health hazards, and property damage caused by natural hazards.

The Plan fulfills the federal mitigation planning requirements of the Disaster Mitigation Act of 2000 and regulations for funding under the Federal Emergency Management Agency's (FEMA) Pre-Disaster Mitigation Program and the Hazard Mitigation Grant Program and meets the requirements of Stafford Act for FEMA's Flood Mitigation Assistance Program. The plan was last updated in 2007 and has been adopted by selected DuPage municipalities, fire protection districts.

The Plan update modifies some of the action items in Section 9 (the Action Plan). A summary of the modifications are:

1. Community Rating System Information Workshop was removed. (Action Item 7)
2. Property Protection Checklist was removed. (Action Item 8)
3. Backup Generation for Critical Facilities was added. (Action Item 20)
4. Construction of Safe Rooms was added. (Action Item 21)
5. National Floodplain Insurance Program (NFIP) Compliance was added. (Action Item 22)

The Village is required to adopt the Plan before July 12, 2013. While there is no fiscal impact to the Village, eligibility for certain federal disaster mitigation grants depends on having such a Plan.

The Plan is 241 page document that can be made available by paper or digitally in .pdf format per request to the elected officials or the public on request.

ACTION REQUESTED:

Staff recommends that the Board of Trustees approve the attached resolution to adopt the Amended DuPage County Natural Hazards Mitigation Plan.
