Subject: Vehicle Sticker Printing, Mailing and Processing

For the last five years, the Village has used an outside company to print and mail vehicle sticker applications for the Village. This process has worked out very well, freeing up staff time and eliminating equipment that was used just for this process. However, as discussed with the Village Board during the Finance Department restructuring in March of this year, we determined that it would be more efficient to contract out the processing of the incoming vehicle sticker application mail. The company that we have used for the previous five years is capable of only printing and mailing applications.

Third Millennium Associates (TMA) is the only company that specializes in providing this full service to include processing of applications. TMA contracts with MB Bank (also the Village's primary bank) to process all incoming applications through the mail, update the database records, and mail the vehicle sticker back to the residents. TMA will also provide the Village with their proprietary vehicle sticker software. We will receive daily electronic updates from MB's processing of the mailed-in applications. In addition, Village staff will process any walk-in applications as well as those put in the drop box in front of Village Hall. We estimate that approximately 90% of applications will be mailed, and the other 10% of applications will be processed by Village staff.

The cost for TMA to print and mail applications, as well as provide the Village with their proprietary vehicle sticker software, is estimated to be \$19,315 for the first year and \$15,320 per year after the first year. The first year has an additional \$3,995 for licensing of the software. These costs are similar to the prior company we used (excluding the software licensing), at \$15,250 using last year's prices. In addition, we estimate the cost for TMA to process all incoming mail to be \$18,339 in the first year, and \$17,739 per year after the first year. There is a \$600 one-time set-up fee in the first year. In total, first year costs are expected to be \$37,654, and the cost for years two and three are expected to be \$33,059, with a three year total of \$103,772.

It is my recommendation that the Village enter into a three year contract with Third Millennium Associates, Inc., in an amount not to exceed \$103,772, for printing, mailing and processing of vehicle sticker applications. Please present these agreements to the Board of Trustees for their review and approval at their regular meeting on September 20, 2007.

Motor Vehicle License Application Production Agreement
Third Millennium Associates, Inc. and the Village of Lombard

This production agreement, (hereinafter referred to as the "AGREEMENT") which is entered into this _____ day of _____ 2007, by and between Third Millennium Associates, Inc. (hereinafter referred to as "TMA") and the Village of Lombard (hereinafter referred to as "VILLAGE"), (the VILLAGE and TMA being referred to individually as a "Party" and collectively as the "Parties"), in consideration of the mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by the Parties hereto, the Parties hereto agree as follows:

1. Services Provided

TMA shall provide to VILLAGE programming, information technology, laser imaging and mailing services for the purpose of rendering motor vehicle license applications and certain other items as detailed in Exhibit "A" attached hereto and made part hereof.

2. Pricing Structure

The prices to be charged the VILLAGE by TMA for products and services to be provided by TMA to VILLAGE are as set forth on Exhibit "B" attached hereto and made part hereof.

3. Pre-Agreement Confidentiality

In regard to the services to be provided pursuant to this AGREEMENT, TMA and VILLAGE shall enter into the AGREEMENT attached hereto as Exhibit "C" and made part hereof.

4. Postage cost

Postage costs are not included in Exhibit "B" and will be pre-paid by VILLAGE directly to the United States Postal Service (USPS), Chicago main branch. TMA will estimate the postage required for the VILLAGE'S documents and / or other TMA laser imaged mailing on behalf of VILLAGE. VILLAGE will pre-pay the estimated postage directly to the USPS. The USPS will report directly to VILLAGE all amounts charged to the VILLAGE'S postal account.

5. Payment Terms

The TMA invoice format shall detail the mailing and the date of the provided service. All correctly rendered TMA invoices shall be paid by VILLAGE in accordance with the Illinois Local Government Prompt Payment Act.

A-4. TMA will e-mail VILLAGE a record count and control totals for the motor vehicle license billing file no later than five (5) hours after receipt of motor vehicle license billing files from VILLAGE.

8A-3. To design and procure all materials required to produce the motor vehicle license applications; this includes the lasered motor vehicle license application, the hand written motor vehicle license application, No.10 window envelopes and the No.9 courtesy reply envelope. TMA will NOT guarantee the performance of materials not produced by TMA.

8A-2. To write software that will allow VILLAGE'S newly TMA constructed motor vehicle license file to be processed by Group-One postal software, which will reduce the VILLAGE'S postage to the minimum allowable postage, at the current postage rate, per application mailing, and to utilize TMA proprietary software to group "same surname / same unique address" for insertion into a single mailing envelope.

8A-1. To write the software programs required to convert the VILLAGE motor vehicle licensing database billing files to the required laser image formatted output files.

8A. TMA Responsibilities

8. Division of Responsibilities

TMA agrees to use all reasonable efforts to provide timely services under the AGREEMENT and will not be held liable for errors of omission resulting from inaccuracies or defects in any VILLAGE data file(s), or for errors, omissions or delays resulting from improper input and output data controls and procedures used by VILLAGE or given to TMA by VILLAGE. TMA shall not be held responsible for any loss or delay or any default caused by acts of God or any other circumstances outside TMA'S control which includes, but is not limited to fire, flood, or labor from usual sources of supply, government restrictions, or electrical, mechanical or computer software failure that is unavoidable or beyond reasonable control of TMA. TMA agrees to use all reasonable efforts to provide timely production services at an alternate site in the event that their production site is unusable due to the aforementioned acts of God or any circumstances outside TMA'S control. TMA'S maximum liability for any and all claims arising from the performance of its obligations shall not exceed the purchase price of the products and technology services provided herein.

7. Limits of Liability

TMA guarantees that it will maintain consistent standards of quality and workmanship and warrants the accurate and timely providing of services and processing, printing and mailing of the documents as outlined in Section 8 below and that its products and services will be free from defect in materials and workmanship. TMA does not warrant that the document contents are fit, legally or otherwise, for their intended purpose or use.

6. TMA Quality Commitment

8A-5. TMA will laser image and mail VILLAGE motor vehicle license applications within ninety-six (96) post office operating hours after receipt of the VILLAGE sign-off of the record count and control totals. Failing to do so will be cause for TMA to deduct from the VILLAGE invoice the interest rate per day(s) late, times the dollar value of the motor vehicle license billing file. The VILLAGE'S bank's "daily earnings credit rate" will be used to calculate the interest penalty.

8A-6. TMA will provide its employees with the required training to ensure the confidentiality of VILLAGE information.

8A-7. TMA will maintain effective and timely communications with the VILLAGE in all matters pertaining to the responsibilities listed herein.

8B. VILLAGE Responsibilities

VILLAGE shall procure and pay for the State of Illinois motor vehicle license files. Village Utility billing file addresses will be used to match and validate the addresses on the State vehicle file.

8B-2. To provide a one (1) twenty-four (24) hour response via E-MAIL verifying the TMA record counts and control totals as stated in 8A-4.

In the event said breach is not cured within ten (10) days of notice, the non-breaching Party may then give thirty (30) day written notice of cancellation of this AGREEMENT. In the event of cancellation by VILLAGE, all materials produced by TMA for use in VILLAGE'S motor vehicle license mailing project shall be paid for within thirty (30) days by VILLAGE. TMA will ship these items to VILLAGE via "UPS Ground", if notified by VILLAGE to do so. In the event that the Village Board of Trustees elects to terminate the entire Vehicle Sticker revenue program this contract will terminate thirty (30) days after receiving written notice of the Boards decision to terminate.

Any notices necessary hereunder shall be in writing and sent certified mail to Licensee, attention of the Finance Director at Village Hall, 255 E. Wilson Avenue, Lombard, Illinois 60148, hereinafter called Licensee, (Licensee and Licensor being hereinafter sometimes referred to) WITNESSETH:

WHEREAS, Licensor has certain proprietary rights to the copyrighted software originated by it, (the "Software"), that maintains and updates the Software necessary for the issuance and reissuance of motor vehicle licenses, with additional usages available to such Software when modified; and

WHEREAS, Licensor will license such software to Licensee on a non-exclusive basis for use by Licensee only at its premises specified above, for use in Licensee business operations only in association with TMA billing services or Licensee internal billing and mailing, with no right accorded Licensee to relocate, to sublicense or in any other manner to disclose any part of such Software, except as permitted herein, to anyone not a party to this Agreement, including, but not limited to, affiliates, joint venture partners, subcontractors, marketing survey firms or consultants working with or providing support to Licensee;

NOW THEREFORE, for the mutual covenants, considerations and promises as herein-after set forth, the Licensor and Licensee do hereby agree as follows:

The maintenance fee hereunder shall be due at the time of execution of this Agreement and on each anniversary of this Agreement. Failure to use the services of TMA for such maintenance and upgrading shall result, at the option of Licensor, in an immediate termination of this Agreement and result in a return of the Software to Licensor.

All other right, title and interest in and to the Software in any media form whatsoever shall remain with the Licensor.
