Subject: FY18 Vehicle Replacement, Tandem Axle Dump Truck

The FY 2018 budget includes replacement of a Public Works Street Division tandem axle dump truck with plow and salt spreader (unit # ST343, 2008 Sterling dump truck with plow and salt spreader). Since the lead time to build this truck is approximately 9 months staff would like Village Board authorization to place the order for the vehicle now.

Public Works has a standard set of specifications for this type of truck which includes a Peterbilt chassis outfitted with a Monroe dump body, salt spreader and front plow. Additionally this unit will be able to haul and run an anti-ice tanker the Village currently owns. The Peterbilt chassis is available for joint purchase through the National Joint Purchase Alliance (NJPA) contract #081716-PMC. The participating NJPA Peterbilt dealer in our area is JX Peterbilt of Bolingbrook, IL. The dump body, plow and salt spreader will be furnished and installed by Monroe Equipment of Joliet, IL. The total price of this truck outfitted with the above equipment is \$198,661.87. The amount in the 2018 budget for this purchase is \$200,000.

I recommend the Board of Trustees waive bid and award a contract to JX Peterbilt of Bolingbrook, IL in the amount of \$198,661.87 for one new Peterbilt dump truck with salt spreader and plow. I also recommend declaring Village unit # ST343 as surplus per the attached ordinance and authorizing its sale. Waiver of first reading is requested on this ordinance. Please submit this item to the Village Board for their consideration at the June 15, 2017 meeting.
