BACKGROUND/RECOMMENDATION:

In relation to three projects; the Terrace View Pond Relief Sewer project, the Prairie/LaLonde Generator/Control Cabinet project and the Route 53 Stormwater Pumping Station project, the Village acquired property to facilitate the improvements. In order to prepare for the projects, the Village will need to demolish the existing structures and prepare the property for the construction. The Village included the demolition of the property at 126 W. Maple owned by the Helen Plum Library in the bid; however, the Library will not be participating in the demolition contract.
