To: William T. Lichter, Village Manager
From: David A. Dramol, P.E., Village Engineer
Through: Wesley B. Anderson, Public Works Director
Date: November 7, 2006
Subject: Transportation and Safety Recommendations

David A. Dramol

The Transportation and Safety Committee recommended the following item for Board action:

- 060504 – “No Parking,” Various Streets within Cambria: The Committee recommends posting “No Parking” along the fire hydrant side of all roads within Cambria and posting “No Parking, Stopping, Standing 12PM to 4PM, Monday – Friday” along the opposite side of all roads within Cambria. Signing the fire hydrant side of these roads as “No Parking” will allow easier movement for fire and safety vehicles through the neighborhood. Signing the opposite side as “No Parking, Stopping, Standing 12PM to 4PM, Monday – Friday” will alleviate the issues with vehicles queuing within the subdivision as parents wait for to pick their children from the Jackson Middle School and also with the parking issues that occurred during certain services at the Islamic Foundation.

Please present this item to the Board of Trustees at their regularly scheduled meeting on November 7, 2006 in accordance with the Committee’s recommendations.
