### **Wilson Avenue Parking Restriction**

The Public Works Department has previously received requests to continue the south side parking restriction on Wilson Ave west of Finley Rd to the Village limits, and the Committee previously reviewed this request. At that time, the Committee amended staff recommendation and enacted the restriction near the Finley intersection. The residents sent a petition to enact parking restrictions from 9 a.m. to 3 p.m. to the Village limits, and the petition contained the majority of affected residences. The restriction ends slightly west of Finley and resumes in the unincorporated portion. For uniformity and resident safety, staff recommended the restriction to include the portion between Finley Rd to the Village boundary (Highmoor Rd) in accordance with original staff recommendation.

During the November 2, 2015 meeting, the Public Safety and Transportation Committee voted to recommend adding the parking restriction in accordance with staff recommendation.
