**SUBJECT: Amending Title 11, Chapter 110 - Coin-Operated Licenses**

Coin-operated devices are one of many types of business licenses that are renewed annually. The July 1, 2014 to June 30, 2015 business licensing renewal period has just concluded.

Village Code Title 11, Chapter 110, Section 110.21(C) states there shall be issued no more than the stated number of annual coin-operated licenses. These licenses are categorized into two Classes:

Class A - number of business establishments that have four to eight coin-operated devices on site.  
Class B – number of business establishments that have over eight coin-operated devices on site.

Currently, Lombard Moose Lodge, O'Neill's Pub, Otto's Bar & Grill and Sal's Pizza Pub all hold Class A licenses but have since decreased the number of their on-site coin-operated devices and no longer qualify to have a Class A license. Consequently the number of licenses in the Class A category needs to be amended from ten (10) to six (6).

As a housekeeping issue, there are currently only two (2) businesses that should hold a Class B license, Whirly Ball and Enchanted Castle, not three (3) as stated in Code. Village Code is being amended to reflect this.

Attached is an Ordinance decreasing the amount of Class A and B issued licenses to reflect the aforementioned circumstances. Staff is requesting a waiver of first reading in order to accurately reflect the current stated number of annual coin-operated licenses.
