Subject: FY20 Vehicle Replacements, 1-Ton Dump Truck

The FY 2020 budget includes replacement of a Public Works Street Division 1-ton dump truck (unit # ST394, a 2010 Ford F-550). Since the lead time to build this truck is approximately 9 months staff would like Village Board authorization to place the order for the vehicle now.

The chassis for this truck is available for joint purchase through the Suburban Purchasing Cooperative (SPC). Sutton Ford of Matteson, IL is the current contract vendor (contract # 182). Public Works would like to equip this truck with 4-wheel drive, snow plow and tailgate salt spreader so it can be utilized during snow removal operations. By out-fitting this medium duty truck this way, Public Works will increase operational efficiency and reduce snow removal time. Additionally, this truck will have the capability of spreading measured amounts of salt just like the large dump trucks in the fleet therefore increasing salting operation efficiency. The body and equipment for this truck is also available for joint purchase through Sourcewell (formerly NJPA). The contract vendor for the body and equipment is Monroe Truck Equipment of Joliet, IL (contract # 080114-MTE). The replacement cost of this vehicle is detailed below and the specifications are attached. The \$707 deficit will be made up by savings projected on other FY 2020 vehicles sale/purchases.

Replacement Unit #	Chassis Cost	Body/Equipment Cost	Total Cost	Budgeted Amount
ST394 (9ft Dump)	\$48,715	\$43,992	\$92,707	\$92,000

I recommend the Board of Trustees waive bid and award a contract to Sutton Ford of Matteson, IL in the amount of \$48,715 for one new Ford F-550 chassis and award of a contract to Monroe Truck Equipment of Joliet, IL in the amount of \$43,992 to furnish and install the body and equipment on the chassis per the attached specifications. I also recommend declaring Village unit number ST394 as surplus per the attached ordinance and authorizing its sale at public auction. Waiver of first reading is requested on this ordinance. Please submit this item to the Village Board for their consideration at the October 17, 2019 meeting.
