TO : PRESIDENT AND BOARD OF TRUSTEES

FROM: Scott R. Niehaus, Village Manager

DATE : October 6, 2020 **(BOT) Date:** October 15, 2020

SUBJECT: Approval of Development Services Inspection Consultant Services –
Thomas Engineering Group Amendment

SUBMITTED BY: William J. Heniff, AICP, Director of Community Development 

BACKGROUND/POLICY IMPLICATIONS:

On January 23, 2020, the Village Board approved a professional services agreement with Thomas Engineering Services to provide for engineering plan review, engineering inspection activities and private-property engineering consultations. The agreement placed a cap on such services at \$255,556.88.

The original projections were based upon additional factors that did not materialize or significantly changed the incurred costs that were estimated as part of the projections.

Staff recommends that the Village Board of Trustees approve the expenditures associated with the previously approved contract with Thomas Engineering Group for engineering inspection and plan review activities on behalf of the Community Development Department for the 2020 calendar year in an amount to not exceed \$310,000.
