---

Attached, please find six originals of the Local Agency Agreement for Federal Participation, the "Joint Agreement", between the Illinois Department of Transportation and the Village of Lombard. This agreement provides for the construction of the improvements utilizing federal funding to pay for 70% of the participating construction costs up to a maximum of \$966,000.00. The Village would pay for the remainder of the cost.

Please present this agreement to the President and Board of Trustees for review and approval at their regular meeting on March 4 2004. If approved, please have five signed originals returned to Engineering for further processing. In order to meet the state's deadline for the April 23, 2004 letting, we need to deliver the executed agreements to IDOT by March 5 2004.
