Grantee shall not cause or suffer or permit to be created any mechanics' or materialmen's liens or claims against the Grantor Property or the Easement Area. and holds harmless Grantor, its park commissioners, officers, officials, employees, volunteers and agents from any and all claims of every nature whatsoever, which Grantee may have at any time against Grantor, its park commissioners, officers, officials, employees, volunteers and agents, including without limitation claims for personal injury or property damage sustained or incurred by Grantee or any person claiming by, through or under Grantee, relating directly or indirectly to this Grant of Easement, the Easement or the Easement Activities.

13. Grantee shall similarly defend, indemnify and hold harmless the Grantor Indemnitees against and from any and all claims, losses, costs, damages and expenses, including without limitation reasonable attorneys' and paralegal fees, suffered, sustained or incurred by any of the Grantor Indemnitees as a result of Grantee's breach of any provision of this Grant of Easement or otherwise incurred by any of the Grantor Indemnitees in enforcing the terms of this Grant of

Easement. Notwithstanding the foregoing, Grantee shall not be required to defend, indemnify or hold harmless the Grantor Indemnitees for the Grantor Indemnitees' intentional or negligent acts or omissions.

14. Grantee shall keep in full force and effect at all times while engaging in the Easement Activities general public liability insurance, Workers' Compensation insurance, and such other types of insurance in such amounts and with such companies or self-insurance pools as are reasonably acceptable to the Grantor, but, in any event, no less than the coverages and amounts carried by Grantee for its general activities. The minimum insurance coverage specified in this Section 14. may be provided by self-insurance, participation in a risk management pool, commercial policies of insurance, or a combination thereof. Such insurance shall be evidenced by copies of the policies and/or certificates of insurance at the request of Grantor, and said insurance shall not be modified, terminated, cancelled or not renewed without at least thirty (30) days advance written notice to the Grantor.

In addition to, and in furtherance and not in limitation of, Grantee's insurance obligations set forth above, and at no cost to Grantor, Grantee shall require any contractor(s) performing any of the Easement Activities contemplated by this Grant of Easement to obtain, and keep in full force and effect for so long as any claim relating to the Easement Activities legally may be asserted, comprehensive general liability and property damage insurance written to include the coverages and for not less than the minimum limits, or greater if required by law, as provided on Exhibit 2 attached hereto and incorporated herein by reference. Grantee shall similarly require any contractor(s) performing any of the Easement Activities contemplated by this Grant of Easement to

defend, indemnify and hold harmless Grantor in accordance with and as more fully set forth in subsection F. of Exhibit 2 attached hereto and incorporated herein by reference.

15. Such perpetual Easement as is herein granted shall run with the land and the covenants, agreements, terms, conditions, obligations, rights and interests herein contained or provided for shall be likewise binding upon and shall inure to the benefit of the Grantor and Grantee, and their respective heirs, executors, successors, grantees, lessees and assigns.

16. No waiver of any rights which Grantor has in the event of any default or breach by Grantee under this Grant of Easement shall be implied from failure by Grantor to take any action on account of such breach or default, and no express waiver by Grantor shall affect any breach or default other than the breach or default specified in the express waiver and then only for the time and to the extent therein stated.

18. Nothing contained in this Grant of Easement is intended to be, nor shall operate as, a waiver by Grantor or Grantee of the rights, defenses and immunities afforded under the Local Governmental and Governmental Employees Tort Immunity Act.

19. This Agreement contains the entire agreement between the Parties with respect to the use of the Easement Area and the Grantor Property by Grantee in connection with the Easement Activities, and cannot be modified except by a writing, dated subsequent to the date hereof, and signed by both Parties.

20. Grantee shall maintain the Public Improvements, and all facilities incidental thereto, as referenced in Section 2 hereof in such a manner so as to ensure that the Public Improvements remain in good working order and repair at all times, and will further ensure that the Public Improvements comply at all times with applicable

Upon receipt of said notice, Grantee shall have thirty (30) days to commence the necessary measures to cure said noncompliance. Notwithstanding the above thirty (30) day cure period, Grantee shall take immediate action to cure said noncompliance in the case of an emergency likely to cause immediate harm, damage or danger to surrounding property or to the public or private health, safety or welfare. In the event that Grantee fails to commence the necessary measures to cure said noncompliance at the expiration of the periods set forth herein, or otherwise exhibits an unwillingness to cure said non-compliance, Grantor shall have the right, but not the obligation, to take all steps necessary to bring the Public Improvements into good working order and repair and to ensure compliance with all applicable federal, state and local laws, including the ordinances and regulations of the Village of Lombard (the "Remedial Measures"), and Grantee shall be responsible for all reasonable costs and expenses incurred by Grantor in connection with same, including reasonable attorneys' fees, plus an administrative fee equal to fifteen percent (15%) of the total costs and expenses so incurred by Grantor. If Grantor undertakes any Remedial Measures relative to the Public Improvements, Grantor shall take such action in full compliance with all applicable federal, state and local laws, including the ordinances and regulations of the Village of Lombard, and shall, in relation to such action, defend, indemnify and hold harmless Grantee, its elected officials, officers, employees, volunteers and agents (Grantee and such other persons being hereinafter collectively

referred to as the "Grantee Indemnities") against and from any and all liabilities, claims, losses, costs, damages and expenses including without limitation reasonable attorneys' and paralegal fees, suffered, incurred or sustained by any of the Grantee Indemnities, provided that any such claim, damage, loss or expense is attributable to bodily injury, sickness, disease or death, or injury to or destruction of tangible property, and arises out of or results from the performance of the Remedial Measures by Grantor, or any other person acting on its behalf or with its authority or permission, pursuant to the authority granted by this Section 20 (collectively, the "Claims"). Notwithstanding the foregoing, Grantor shall not be required to defend, indemnify or hold harmless the Grantee Indemnitees for the Grantee Indemnitees' intentional or negligent acts or omissions. In addition, Grantor's indemnification obligations under this Section 20 are strictly and specifically limited to Claims arising out of or resulting from the performance of the Remedial Measures by Grantor, or any other person acting on its behalf or with its authority or permission, and shall not extend to or otherwise apply to any other acts or omissions of Grantor, or any other person acting on its behalf or with its authority or permission.

21. Termination of Easement Rights.

- A. The Easement may be terminated by Grantor upon written notice to Grantee in the event Grantee has breached any of the material terms or material conditions of this Agreement, subject to the right to cure as follows. Grantee shall have thirty (30) days after receipt of written notice specifying the nature of the breach to cure said breach. If the nature of the breach is such that it cannot be cured within said thirty (30) day period, Grantee shall be deemed to have cured same if within said thirty (30) day period it commences and diligently pursues such cure and thereafter completes same within such time as reasonable under the circumstances.

- B. In the event Grantee breaches and fails to cure said breach pursuant to Section 20 above, all rights and privileges granted to Grantee pursuant to this Grant of Easement may be terminated by Grantor in Grantor's sole discretion.
- C. In the event of termination pursuant to this Section 21, Grantee shall have a period of thirty (30) days from and after the effective date of termination to restore the land to its original condition at Grantee's sole cost and expense.
- D. The rights set forth in this Section 21 are in addition to, and not in lieu of, Grantor's right to enforce the terms of this Agreement and Grantor's right to pursue any and all other remedies available at law or inequity.

22. This Agreement is entered into solely for the benefit of the Parties, and nothing in this Agreement is intended, either expressly or impliedly, to provide any right or benefit of any kind whatsoever to any person and entity who is not a party to this Agreement or to acknowledge, establish or impose any legal duty to any third party.

Exhibit 2

CONSTRUCTION INSURANCE REQUIREMENTS FOR CONTRACTORS

Every contractor performing any of the Easement Activities contemplated by this Grant of Easement, whether in whole or in part ("Contractor"), shall procure and maintain, for at least during the performance of said Easement Activities, insurance of the types and in the amounts listed below.

A. Commercial General and Umbrella Liability Insurance

Contractor shall maintain commercial general liability (CGL) and, if necessary, commercial umbrella insurance with a limit of not less than \$2,000,000 each occurrence. If such CGL insurance contains a general aggregate limit, it shall apply separately to this project/location.

CGL insurance shall be written on Insurance Services Office (ISO) occurrence form CG 00 01 10 93, or a substitute form providing equivalent coverage, and shall cover liability arising from premises, operations, independent contractors, products-completed operations, personal injury and advertising injury, and liability assumed under an insured contract (including the tort liability of another assumed in a business contract).

Lombard Park District ("District") and its park commissioners, officers, officials, employees, volunteers and agents shall be included as an insured under the CGL, using ISO additional insured endorsement CG 20 10 or a substitute providing equivalent coverage, and under the commercial umbrella, if any. This insurance shall apply as primary insurance with respect to any other insurance or self-insurance afforded to District. Any insurance or self-insurance maintained by District shall be excess of the Contractor's insurance and shall not contribute with it.

There shall be no endorsement or modification of the CGL limiting the scope of coverage for liability arising from pollution, explosion, collapse, or underground property damage.

B. Continuing Completed Operations Liability Insurance

Contractor shall maintain commercial general liability (CGL) and, if necessary, commercial umbrella liability insurance with a limit of not less than \$2,000,000 each occurrence for at least three years following substantial completion of the work.

Continuing CGL insurance shall be written on ISO occurrence form CG 00 01 10 93, or substitute form providing equivalent coverage, and shall, at minimum, cover liability arising from products-completed operations and liability assumed under an insured contract.

Continuing CGL insurance shall have a products-completed operations aggregate of at least two times its each occurrence limit.

Continuing commercial umbrella coverage, if any, shall include liability coverage for damage to the insured's completed work equivalent to that provided under ISO form CG 00 01.

C. Business Auto and Umbrella Liability Insurance

Contractor shall maintain business auto liability and, if necessary, commercial umbrella liability insurance with a limit of not less than \$1,000,000 each accident. Such insurance shall cover liability arising out of any auto including owned, hired and non-owned autos.

Business auto insurance shall be written on Insurance Services Office (ISO) form CA 00 01, CA 00 05, CA 00 12, CA 00 20, or a substitute form providing equivalent liability coverage. If necessary, the policy shall be endorsed to provide contractual liability coverage equivalent to that provided in the 1990 and later editions of CA 00 01.

D. Workers Compensation Insurance

Contractor shall maintain workers compensation as required by statute and employers liability insurance. The commercial umbrella and/or employers liability limits shall not be less than \$1,000,000 each accident for bodily injury by accident or \$1,000,000 each employee for bodily injury by disease.

If District and its park commissioners, officers, officials, employees, volunteers and agents has not been included as an insured under the CGL using ISO additional insured endorsement CG 20 10 under the Commercial General and Umbrella Liability Insurance required in this Contract, the Contractor waives all rights against District and its park commissioners, officers, officials, employees, volunteers and agents for recovery of damages arising out of or incident to the Contractor's work.

E. General Insurance Provisions

1. Evidence of Insurance

Prior to beginning work, Contractor shall furnish District with a certificate(s) of insurance and applicable policy endorsement(s), executed by a duly authorized representative of each insurer, showing compliance with the insurance requirements set forth above.

All certificates shall provide for 30 days written notice to District prior to the cancellation or material change of any insurance referred to therein. Written notice to District shall be by certified mail, return receipt requested.

Failure of District to demand such certificate, endorsement or other evidence of full compliance with these insurance requirements or failure of District to identify a deficiency from evidence that is provided shall not be construed as a waiver of Contractor's obligation to maintain such insurance.

District shall have the right, but not the obligation, of prohibiting Contractor or any subcontractor from entering the project site until such certificates or other evidence that insurance has been placed in complete compliance with these requirements is received and approved by District.

Failure to maintain the required insurance may result in termination of this Grant of Easement at District's option.

With respect to insurance maintained after final payment in compliance with a requirement above, an additional certificate(s) evidencing such coverage shall be promptly provided to District whenever requested.

Contractor shall provide certified copies of all insurance policies required above within 10 days of District's written request for said copies.

2. Acceptability of Insurers

For insurance companies which obtain a rating from A.M. Best, that rating should be no less than A VII using the most recent edition of the A.M. Best's Key Rating Guide. If the Best's rating is less than A VII or a Best's rating is not obtained, the District has the right to reject insurance written by an insurer it deems unacceptable.

3. Cross-Liability Coverage

If Contractor's liability policies do not contain the standard ISO separation of insured's provision, or a substantially similar clause, they shall be endorsed to provide cross-liability coverage.

4. Deductibles and Self-Insured Retentions

Any deductibles or self-insured retentions must be declared to the District. At the option of the District, the Contractor may be asked to eliminate such deductibles or self-insured retentions as respects the District, its park commissioners, officers, officials, employees, volunteers and agents or required to procure a bond guaranteeing payment of losses and other related costs including but not limited to investigations, claim administration and defense expenses.

5. Subcontractors

Contractor shall cause each subcontractor employed by Contractor to purchase and maintain insurance of the type specified above. When requested by the District, Contractor shall furnish copies of certificates of insurance evidencing coverage for each subcontractor.

F. Indemnification

To the fullest extent permitted by law, the Contractor shall indemnify and hold harmless the District and its park commissioners, officers, officials, employees, volunteers and agents (hereinafter collectively referred to as the "Indemnitees") from and against all claims, damages, losses and expenses including but not limited to legal fees (attorney's and paralegals' fees and court costs), arising out of or resulting from the performance of the Contractor's work, provided that any such claim, damage, loss or expense (i) is attributable to bodily injury, sickness, disease or death, or injury to or destruction of tangible property, other than the work itself, including the loss of use resulting there from and (ii) is caused in whole or in part by any wrongful or negligent act or omission of the Contractor, any subcontractor, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable. Such obligation shall not be construed to negate, abridge, or otherwise reduce any other right or obligation of indemnity which would otherwise exist as to any party or person described in this Paragraph. Contractor shall similarly protect, indemnify and hold and save harmless the Indemnitees against and from any and all claims, costs, causes, actions and expenses including but not limited to legal fees, incurred by reason of Contractor's breach of any of its obligations under, or Contractor's default of, any provision of the Grant of Easement. Notwithstanding the foregoing, Contractor shall not be required to defend, indemnify, or hold harmless the Indemnitees for the Indemnitees intentional or negligent acts or omissions.
