VILLAGE OF LOMBARD

Cross Connection Program & Grease Control Program

This agreement is made this 16th day of June, 2011, by and between, and shall be binding upon, the Village of Lombard, an Illinois municipal Corporation hereinafter referred to as (the "Village") and Aqua Backflow, Inc. hereinafter referred to as (the "Contractor").

Witnesseth That in consideration of the mutual promises of the parties delineated in the Contract Documents, and herein, the Contractor agrees to sell and install and the Village agrees to pay for the following described items and the installation of the same as set forth in the Contract Documents:

Provide all labor, materials and equipment as necessary to complete cross connection and grease control inspections, data management and public education in an amount not to exceed \$54,933.00 (FY2012), \$54,933.00 (FY 2013), \$54,933.00 (FY 2014)

1. This Contract shall embrace and include all of the applicable Contract Documents listed below as if attached hereto or repeated herein:
 - a. The Contractor's Bid Proposal Dated June 7, 2011
 - b. Required Certificate of Insurance
2. The Village agrees to pay, and the Contractor agrees to accept as full payment for the items, and installation of the same, which are the subject matter of this Contract, in accordance with the provisions of the Local Government Prompt Payment Act and the provisions of the Contract Documents.
3. Risk of loss, destruction or damage of or to goods under this Contract shall be on contractor until installation and acceptance of the goods by the Village.
4. Contractor shall not delegate the duties involved in the performance of the installation services which are the subject matter of this Contract without the written approval of the Village.
5. The Contractor represents and warrants that it will comply with all applicable Federal, State and local laws concerning prevailing wage rates regarding installation services provided under this Contract and all Federal, state and local laws concerning equal employment opportunities.
6. Time is of the essence of this Contract and Contractor agrees to achieve completion of the work order within the Contract time by all proper and appropriate means including working overtime without additional compensation.

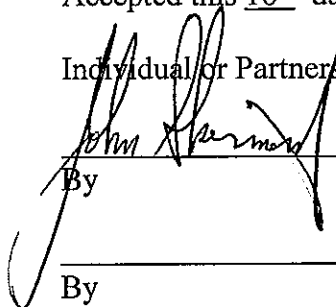

7. In executing this Contract, Contractor agrees that it has examined the site of the work and the conditions existing therein, has examined the Contract Documents and taken and compared field measurements and conditions with those Documents.
8. This Contract represents the entire agreement between the parties and may not be modified without the written approval of both parties.
9. Where the terms of this Contract conflict with the provisions of the Contract Documents, the Contract Documents shall be binding.
