Subject: FY 2021 Bituminous Mix Purchase

The Village of Lombard's in-house paving program is conducted using Village owned equipment and rented equipment. Once paving commences and the equipment has been rented, unexpected delays in getting materials can be costly in additional days of rental charges. Dupage Material Company has been the material supplier for the Village for the last 3 years. Dupage Material has multiple locations to pick up asphalt and the material has been readily available. Other companies have had difficulty supplying asphalt in the quantities our crews need to finish a job.

Three area asphalt companies have provided quotes for binder and surface asphalt. Dupage Material is the closest geographically to provided a quote for both asphalt binder and surface.

<u>Vendor</u>	<u>N-50 Surface</u>
DuPage Material (K-Five) Elmhurst, IL	\$53.00
Arrow Asphalt Mount Prospect, IL	\$52.50*
Dukane Asphalt Addison, IL	\$53.00

* lowest price per ton, but the farthest away from Lombard. Staff estimates an hour and a half round trip to Arrow versus a half hour round trip to DuPage Material.

Public Works Staff is requesting a waiver of bids and award of a contract to DuPage Materials Company not to exceed \$228,000.00 to purchase Bituminous Mix during FY2021.

Please present this item to the Village Board for consideration at the June 17, 2021 meeting.
