Subject: Purchase of Holophane Light Fixtures for Westmore and St. Charles Road Light Pole Restoration Project

The Public Works Department, as part of the effort to improve Westmore-Meyers developed a project to restore the light poles along Westmore-Meyers Road from St. Charles Road to Roosevelt Road. The project was modified to include St. Charles Road from Elizabeth Street to Route 53 based on the poor condition of those light poles. This project includes the removal of light poles, delivery to B. L. Downing Company, Inc. where they will be sandblasted, repaired and powder coated and then erection and installation of new wire and light fixtures. This contract is for the purchase of the new light fixtures for the streetlights.

Public Works requested pricing from three suppliers for the new light fixtures for the project. The following are results of the request:

Tri-Star Supply  
1459 Bernard Drive  
Addison, Illinois 60101  
Total Cost for 93 light fixtures \$35,483.00

Graybar  
900 Regency Drive  
Glendale Heights, Illinois 60139  
Total Cost for 93 light fixtures \$35,533.40

GEXPRO  
2235 Corporate Lane  
Naperville, Illinois 60163  
Total Cost for 93 light fixtures \$37,508.75

Public Works is requesting a waiver of bids and award of a contract to Tri-Star Supply in an amount not to exceed \$35,483.00 to supply light fixtures for the streetlight restoration project. Please place this item on the Village Board agenda for September 6, 2007.

If you have any questions, feel free to contact me.
