TO:	PRESIDENT AND BOARD OF TRUSTEES
FROM:	Scott Niehaus, Village Manager
DATE:	November 15, 2023 (COW) (B of T) <b>Date:</b> December 7, 2023
TITLE:	Recommendations from the Public Safety and Transportation Committee
SUBMITTED BY:	Mike Barbier, PE, Civil Engineer II
BACKGROUND/POLICY IMPLICATIONS:	
Right Turn on Red Traffic Signal Amendment – Westbound Hickory Street at Main Street	
The sight distances for westbound traffic on Hickory Street at Main Street have been reduced less than previously anticipated. The existing complete prohibition of westbound right turns on red traffic signals is not necessary. However, based on the position of the vehicle when it can obtain the safe sight distance, right turns on red signals should not be permissible when pedestrians are present.  The Transportation and Safety Committee voted to add the language "when pedestrians are present" to	
the prohibition of right turns on red signals for westbound traffic at the intersection of Main Street at Hickory Street.	
The Transportation and Safety Committee requests the restriction adjustment and to update the Village ordinance at the above intersection.
